JEANETTE BOLDEN

Head Women's Track & Field/Cross Country Coach 21st Season At UCLA UCLA '83

Jeanette Bolden enters her 19th year at the helm of the women's track and field program (21st year on staff) and her third season as head cross country coach. Bolden has led the Bruin women

to incredible success during her time as head track coach, helping guide the team to three NCAA titles in the process - the 2004 Outdoor title, and both the 2000 and 2001 Indoor crowns (the first women or men's indoor track and field titles in school history). In 2005, Bolden's team finished second at the NCAA Outdoor Championships with just five scoring competitors. In all, Bolden has been a part of five NCAA Championship teams, both as a coach and athlete. As a coach, she has guided Bruin sprinters, hurdlers and relay runners to over 50 All-American performances.

Bolden led the women to victory in the first two NCAA West Region Championships (2003 and 2004), and 10 Pac-10 titles in her 18 years of head coaching. She has an amazing 73-4 dual meet record at UCLA, with 14 consecutive wins coming over archrival USC (streak snapped in 2009). The Bruins were also the nation's top dual meet team on nine separate occasions.

In 2006, Bolden was given one of the highest honors of her career as she was named the U.S. Women's Head Coach for the 2008 Beijing Olympic Games. She was the first head coach in U.S. Olympic history to have won an Olympic medal as an athlete. Bolden led the American women to their third-highest medal haul in U.S. Olympic history (23), and most since the 1992 Barcelona Games. She also saw Dawn Harper (gold, 100mH), Sheena Johnson (bronze, 400mH) and Monique Henderson (gold, 4x400) have much success at the Games.

Last Season

In 2011 track, the women finished in a tie for 30th behind Turquoise Thompson's runner-up finish in the 400m hurdles. The 4x400 relay, Ashlea McLaughlin, Joy Eaton and Ida Storm also competed at the NCAA Championships. At Pac-10s, the Bruins finished sixth as Thompson won her second consecutive intermediate hurdles crown.

The women's cross country team showed much improvement behind MVP Shannon Murakami and top newcomer Sierra Vega. The women went from sixth in 2009 to fifth in the conference and from 11th to 10th in the West Region.

Standouts Under Bolden

Bolden has coached several of the top sprinters in NCAA history during her time at UCLA, most notably NCAA Champions Monique Henderson, Sheena Johnson and Nicole Leach.

In 2005, Henderson capped off her NCAA career with a win in the 400m at the NCAA Outdoor meet, the first individual title of her career. She blazed her way through the season, winning the Pac-10, West Region and NCAA titles in that event, ending her career with nine All-American honors. Her accomplishments helped her garner the Pac-10 and Mondo West Region Women's Athlete of the Year awards. She was also a finalist for the Honda Award, given annually to the nation's top female student-athlete. She ranked third in the country and 10th in the world that season. Henderson also won a gold medal as a member of the 4x400m relay squad that took first at the Athens Olympic Games in 2004 and the Beijing Olympic Games in 2008.

Johnson won two NCAA 400m hurdles titles during her time at UCLA, setting a collegiate record in her final year (52.95). She won three West Region titles and nine Pac-10 crowns (three on a relay and six individual) during her career and was a 15-time All-American. Johnson also competed at the Olympic Games in 2004, and just missed a medal, finishing fourth in the intermediate hurdles. In 2008, she earned the Silver medal in the 400m hurdles.

During her career, Leach was made a name for herself on the collegiate, national and world scene as she won her first NCAA title during her sophomore season and was second in 2008. Leach concluded her collegiate career with her second NCAA 400m hurdles crown in 2009. She competed for the U.S. at the World Championships, advancing to the semifinal round before being eliminated and competed at the U.S. Olympic Trials in June of 2008.

Coaching Honors

Bolden's success in the coaching world have not gone unnoticed as she has been honored on several occasions for her work. She was named the U.S. Olympic Women's Team coach for the 2008 Beijing Olympic Games. In 2004, Bolden swept every women's collegiate coaching honor and was named "Coach of the Year" by the USTFCCA in the National, West Region and Pac-10 categories.

In December of 2010, Bolden will be inducted into the U.S. Track & Field/Cross Country Coaches Association Hall of Fame.

On February 13, 2004, Bolden was presented the prestigious C. Vivian Stringer Award, an accolade which is presented to a woman who has experienced outstanding achievement as a coach - exhibiting a high standard of propriety, imagination and innovation as a character builder in the tradition of great teacher-coaches.

She has also been named the USTCA West Region Women's Coach of the Year on nine occasions, as well as Pac-10 Women's Coach of the Year on 10 occasions.

Bolden has served on a number of NCAA and track and field boards, and has served as an assistant coach for the World Indoor and Outdoor Championships, and in 1998 was named the USOC Track & Field Developmental Coach of the Year. In 1994, she served as an assistant coach for the West squad at the Olympic Festival in St. Louis.

In 2006, Bolden served as the head coach for the 2006 World Cup, which was held in Greece.

Named UCLA Head Coach

At the end of the 1993 season, then-UCLA head coach Bob Kersee asked to be relieved of his head coaching duties and reassigned to the Bruin staff. There was only one logical choice to replace Kersee, and that was Bolden, an Olympic gold medal winner and All-American sprinter at UCLA. Bolden has just completed her second year as a Bruin assistant coach, specializing in the sprints and hurdles, when she was named head coach.

Athletic Accomplishments

As an athlete at the 1984 Summer Olympics in Los Angeles, Bolden earned a gold medal on the U.S. 400m relay team and placed fourth in the 100m. She was also a member of the 1980 U.S. Olympic team that did not compete in Moscow.

At UCLA from 1981-83, she was a five-time All-American. In 1982, she helped lead the Bruins to their first NCAA Outdoor championship, by placing second (11.12) in the 100m and running on UCLA's 400m relay that finished third (44.02). At the 1981 nationals, she placed third in the 100m (11.28) and ran on the Bruins' 400m (second, 44.49) and 800m medley (second, 1:37.41) relays. In 1983 (UCLA's second NCAA Outdoor team title), Bolden injured a hamstring before nationals and did not compete. On the all-time Bruin sprint charts, she is still tied for fourth in the 100m (11.16, with an 11.12w).

Throughout her track career, Bolden was considered one of the top female sprinters in the U.S. In 1986 she tied the then-world indoor record (6.54) in the 60y dash in the GTE/Times Indoor meet at The Forum and in 1983, she set the former 60y world record indoor mark (6.60) at the Dallas Times Herald Meet. She still holds the collegiate women's indoor mark in the 50m (6.13) and 50y. In 1985, Bolden ran the second leg on the American-record setting sprint medley relay (1:36.79).

Ranked No. 9 in the country in 1988, Bolden was trying to make her third straight U.S. Olympic team that year when she tore an Achilles tendon at the Trials, requiring surgery.

Away from the Coaching

She is executive director and coordinator of the Jeanette Bolden Asthma and Allergy Track Clinic; and a member of the Board of Directors for the Asthma and Allergy Foundation. Most recently, she was named a coordinator for the Marathon Kids Foundation at UCLA, an organization that the women's team is heavily involved in volunteering. Bolden and her family own the famous 27th Street Bakery in Los Angeles.

Bolden and her husband of 22 years, Al, have two children, twins Anthony and Kimberly, age 10.

MIKE MAYNARD

Head Men's Track & Field/Cross Country Coach

Third Year

Azusa Pacific '86

Mike Maynard enters his third season as the men's head track and field/cross country coach. In addition to being head coach, Maynard also oversees the men's and women's throws program and coordinates all aspects of training for the Bruin decathletes. Prior to coming to UCLA, Maynard was head coach/throws coach at Boise State for nine years.

Last season, the Bruin harriers showed improvement as they went from fifth in 2009 to fourth in 2010 at the Pac-10 Championships. They finished eighth at the West Regional with Kent Morikawa earning All-West Region honors after being UCLA's No. 1 runner at the meet. In track, the men finished tied for 34th at the NCAA Championships behind All-American performances by Cory Primm (800m) and Alec Faldermeyer (hammer). At Pac-10s, the Bruins tied for third overall and saw Primm win his first conference title in the 800m and Greg Woepe win a Pac-10 title in the pole vault. Primm had a huge senior year as he broke his own school record in the 800m with a time of 1:44.71. In indoor track, the men were led by Faldermeyer's All-American finish in the weight throw. Maynard's 2010 freshman class was ranked fourth in the nation by Track & Field News. At the 2011 USATF Junior National Championships, Maynard's throwers (Faldermeyer and Derek Eager) captured two of the four throwing event titles (hammer, javelin) held during the meet. Faldermeyer also won the PanAm Junior crown in the hammer.

In his first year with the Bruins, the men's cross country team sent one athlete to the NCAA Championships, Marco Azures, and finished fifth at Pac-10s and seventh in the West Region. In outdoor track, the men finished tied for 52nd at the NCAA Outdoor Championships with five athletes earning All-America honors and were fifth at the Pac-10 meet. In indoor track, the men won the MPSF Championship crown and tied for 47th at Nationals.

In his nine years as the head coach at Boise State, Maynard led a program which produced several historic events - back-to-back (2004 and 2005) national championships by Gabe Wallin in the men's javelin, over 50 new school record performances and 30 All-American accolades. The Broncos enjoyed unprecedented success behind Maynard's direction.

During the 2009 season, the men's team won the WAC Indoor Championship, finished 27th at the NCAA Indoor Championships and 25th at the NCAA Outdoor Championships. The women's team placed 19th at the NCAA Indoor Championships.

The top individual highlight was Eleni Kafourou becoming the first female student-athlete at Boise State to win an NCAA National Championship (long jump). Along with Kafourou's national championship, Boise State earned a total of seven NCAA All-America awards in track and field last year.

Boise State also made its presence known at the national level with Maynard at the helm with four straight top 25 finishes for the men's team at the NCAA National Outdoor Championships. The Bronco men were 16th at the 2006 NCAA National Outdoor Championships, 14th in 2005, 15th in 2004 and 24th in 2003. In 2009, the Bronco men finished 25th at the NCAA Outdoor meet. Maynard has also guided Bronco student-athletes to over 70 individual WAC Championships and over 90 marks on Boise State's all-time top three performance lists.

Maynard came to Boise State following an outstanding assistant coaching career

at the University of Arizona. He was the associate head track and field coach for the Wildcat program for 13 years prior to joining the Broncos. While coaching at Arizona, Maynard guided 32 individual NCAA Division I All-Americans, including three NCAA National Champions.

Maynard's coaching resume also includes a two-year stint as the assistant strength and conditioning coach at Arizona, where he worked with the Wildcat football program as well as being responsible for the Arizona track and field, swimming and tennis teams. He began his collegiate coaching career at Mesa Community College (Ariz.) where he was the assistant track and field coach from 1982-84, and in 1987.

Maynard was also instrumental in bringing a world-class facility to Bronco Track & Field. During his first two years leading the Broncos, Maynard and Boise State were successful in purchasing a world championship caliber track and helped construct the building to put it in. The Mondo track was used by USA Track and Field and the Georgia Dome for the national indoor championships. The building is the Idaho Sports Center located in the Idaho Center complex in Nampa, Idaho. The track was purchased with a \$250,000 cash gift from John Jackson, President of Jacksons Food Stores in Meridian, Idaho. Boise State has hosted several major meets, including six WAC Indoor Championships. The facility hosted its first national meet in 2005 with the USA Indoor Master's Championships. Boise State has submitted bids to host future NCAA Indoor National Championships.

Outside the collegiate world, Maynard has coached a World Champion, five different Olympians, a Pan American gold medalist, five USA Track and Field Champions and three American Junior Champions. One of Maynard's former athletes Tony Washington (1990-96), won the World Championship in the discus in 1999. Washington also won the gold medal in the discus at the 1991 Pan American Games along with five USA National Championships.

Maynard is currently an Executive Committee member of the United State Track Coaches Association and the NCAA Division I Track and Field Executive Committee. Maynard was also the head coach for the USA Track and Field team in its dual meet against Germany in 1996. He has served USA Track and Field as the Regional Decathlon Chairman, the United States Olympic Committee as an Elite Throws Clinician, and has been the lead throws clinician for the USA/Visa Decathlon team.

Maynard and his family reside in Valencia. His wife Dee, an RN, works at Ronald Reagan Medical Center at UCLA. His daughter Allyson is a junior at Boise State, studying journalism and his son Michael plans on attending College of the Canyons part-time in the fall.

Boise State '07

Forest Braden enters his third year as a co-assistant coach with the Bruin harriers after a solid first two seasons with UCLA. Last year, the men moved up to fourth at the conference meet, while the women also showed improvement as they moved up to sixth at Pac-10s. At the Regional meet, the men finished eighth and the women improved to 10th. Kent Morikawa, UCLA's top male runner at the regional, earned All-West Region accolades for his effort.

In Braden's first year with the Bruins, UCLA sent Marco Anzures and Shannon Murakami to compete at the NCAA Championships. The men also finished fifth at the Pac-10 meet and seventh at the Western Regional. The women were seventh in the Pac-10 and 11th at the regional.

BRUINS ADMINISTRATORS & SUPPORT STAFF

DAN GUERRERO

Athletic Director :: UCLA '74 :: 10th Year

On April 25, 2002, Daniel G. Guerrero was named UCLA's eighth Director of Athletics. A former Bruin baseball player, Guerrero, who assumed his duties on July 1, 2002, has enjoyed great success and exudes the pride of a student-athlete who is in charge of the program at his alma mater. Guerrero is one of the most respected and talented administrators in all of intercollegiate athletics. He is the current president of the National Association of Collegiate Directors of Athletics (NACDA) and a member of the NACDA Executive Committee and served as president of the Division I Athletic Directors Association in 2010-11.

This past year Guerrero received recognition by several prestigious organizations. In May, he was honored by the Black Coaches and Administrators Association as the Dr. Myles Brand Administrator of the Year. In April, he was presented with the Crystal Eagle Award by CORO Southern California, an organization that provides training of civic and government leaders. Additionally, he was recognized by the National Association of Basketball Coaches (NABC) with the Clifford Wells Award for distinguished service to the organization. In Guerrero's nine years as Athletic Director, he has clearly established a pattern of "image and substance" that few in his profession can match. UCLA stands as the No. 1 University in the nation for NCAA team championships (107) won, a number that continues to grow under his direction. In those eight years, UCLA teams have won 21 NCAA team titles (the highest total in the nation in that span) in 11 different sports, finished second 17 times and have had an additional 32 Top Five finishes (70 total). A staggering 172 teams (of 207 possible) have qualified for NCAA post-season competition and the football team has appeared in seven bowl games. The program has also won 46 conference championships in 15 different sports, produced over 460 All-Americans and featured four Honda Award winners, including the 2003-04 Collegiate Woman Athlete of the Year. Furthermore, during the 2008 Summer Olympic Games in Beijing, China, 39 Bruins participated as athletes or coaches, representing the United States and nine other nations. They won 15 medals, including four gold.

In the last nine years, UCLA has finished second three times (2007-08, 2006-07 and 2005-06), third twice (2004-05 and 2003-04), fourth (2009-10), sixth (2002-03), 11th (2010-11) and 16th (2008-09) in the race for the Learfield Sports Directors' Cup. Prior to arriving at UC Irvine, he was the Athletic Director for five years at Cal State Dominguez Hills (1988-92). He received his Bachelor's degree from UCLA in 1974 and played second base in the Bruin baseball program for four years. Guerrero, born on November 10, 1951 in Tucson, AZ, was raised in Wilmington, CA. He is married to the former Anne Marie Aniello and they have two grown daughters: Jenna and Katie.

GLENN TOTH

Associate Athletic Director :: UCLA '76

3rd Year (Overseeing Cross Country/Track & Field)

Glenn Toth, who has served the athletic department as an administrator for more than 34 years, enters his 14th year in charge of the UCLA men's and women's tennis programs. He is in his third year overseeing the men's volleyball team, the men's and women's cross-country teams, and the men's and women's track & field teams after 11 years overseeing the golf programs. In addition to his role as a sports supervisor, Toth has also seen duty as an assistant coach, and serves as a member of athletic

director Dan Guerrero's senior staff.

A senior associate athletic director with a variety of responsibilities, Toth serves as the liaison with shoe and apparel sponsor adidas, having orchestrated both the original 1999 agreement and its renewal in 2005 and 2011. adidas supplies all Bruin teams, and represents the department's most lucrative sponsorship. In addition, Toth was point person on the negotiation with International Sports Properties (ISP) which now handles the department's corporate relations, media rights, program printing, web page, ad sales, and sponsor promotions.

Toth also has administrative responsibility for the athletic equipment room which designs, outfits, and maintains all of the Bruins' uniforms, practice, and playing equipment. Sporting a staff of six full-time and additional part-time personnel, the equipment room has significant on-site capability, including laundry, mechanical repair, and custom fitting/tailoring.

In addition, the sports medicine area/athletic training room, which provides injury evaluation, treatment, rehabilitation, therapy, and nutritional services to over 700 student-athletes falls under Toth's supervision. UCLA sports medicine has 14 full-time employees, a student trainer program, and interfaces with UCLA medical personnel and physicians. Among the features of the sports medicine complex are hydrotherapy pools, physician's exam and treatment offices, and diagnostic ultrasound capability. Toth also supervises the speed, strength, and conditioning area and its six coaches.

Toth graduated from UCLA in 1976 with a degree in economics and was hired shortly thereafter by former athletic director J.D. Morgan to work in the events and travel office. From 1978-84, he supervised the management of home athletic events and team travel. In 1982, Toth handled the logistics of UCLA's move to the Rose Bowl and at the same time became the athletic department's first marketing director. Promoted to Associate Athletic Director in 1984, he was credited with several award-winning football marketing campaigns and the creation of the department's corporate relations program.

Toth lettered in golf at Tustin's Foothill High School where he graduated in 1972. He enjoys scuba diving, hiking, and mountaineering, and also serves as a Reserve Captain with the LA County Sheriff's Department, managing the Search and Recovery Dive Team. His golden retrievers are Misty and Dottie.

UCLA Community Outreach/ Wooden Academy

All UCLA head coaches stress involvement with the campus and the community. Whether it's volunteering at an inner-city youth clinic, speaking to children at elementary and middle schools in the area, or assisting in campus programs such as 'Marathon Kids' and 'I'm Going to College,' community service is an important aspect of being a Bruin. These outreach opportunities give student-athletes a chance to mentor youth, give back to the community and serve as ambassadors for UCLA Athletics.

Community Outreach

Bruin student-athletes, coaches and staff have the opportunity to participate in community service activities on campus and throughout the Los Angeles area. Examples of these events include;

- Marathon Kids
- Dribble for the Cure
- Mattel Children's Hospital
- Elementary/Middle School Visits
- Team Prime Time/Prime Time Games
- UCLA Lab School Jogathon
- I'm Going to College
- Adopt a Classroom
- Special Requests/Events

These outreach opportunities give student-athletes a chance to mentor youth, give back to the community and serve as ambassadors for UCLA Athletics.

Wooden Academy: Teamwork, Leadership and Character

The Wooden Academy is a comprehensive leadership development program designed to educate and support the standards of leadership for Bruin student-athletes. The pillars of the Wooden Academy are teamwork, leadership and character. The program is named after legendary Coach John Wooden, and strives to teach the values and principles of his Pyramid of Success. We believe that these skills will assist student-athletes in their pursuit to be successful leaders and teammates at UCLA, and as they prepare to be champions in life. Student-athletes will have the opportunity to participate in the Wooden Academy each year by attending seminars and learning practical leadership lessons from coaches, administrators and Bruin alumni.
