► Bill Ackerman 1921-1950

William C. "Bill" Ackerman first became associated with UCLA as a freshman in 1920. In 1921, Ackerman's sophomore year as a Bruin netter, he was named head coach of the UCLA men's tennis team. That season, the Bruins won their first of five straight Southern Conference Championships. UCLA, then known as the University of California, Southern Branch, joined the Pacific Coast Conference in 1925. Seven years later, Ackerman guided the Bruins to a PCC team title (1932). His Bruins won nine more PCC titles until his retirement following the 1950 season. Ackerman coached the UCLA men's tennis team to its first NCAA Team Championship in 1950, the first such title for any UCLA sports program. He also coached UCLA's first-ever NCAA singles champ Jack Tidball (1933) and UCLA's first player to capture an NCAA singles and doubles crown in the same year in Herb Flam (1950). Flam collected the doubles title with Gene Garrett, another of Ackerman's star players. Ackerman was inducted into the Collegiate Tennis Hall of Fame at the 100th NCAA Tennis Championships (1984) held at the University of Georgia. Ironically, 1984 was the same year that UCLA's third-ever head coach and former Ackerman pupil, Glenn Bassett, coached the Bruins to an NCAA team title with a 5-4 victory over Stanford.

Ackerman, who passed away in 1988 at the age of 85, was also a charter member of the UCLA Athletic Hall of Fame, and UCLA's Student Union was renamed the William C. Ackerman Student Union in 1967.

► J.D. Morgan 1951-1966

J.D. Morgan, the second head coach of the UCLA men's tennis team, catapulted the Bruins to more success in the 1950's and '60's. Just one year after taking over the helm from Ackerman, Morgan guided UCLA to an NCAA team championship (1952). He was the first UCLA coach in any sport to take the Bruins not only to back-to-back titles but also to three consecutive NCAA titles (1952, '53 and '54). Under his guidance, the Bruins won seven NCAA crowns, four in the 1950's (1952, '53, '54 and '56) and three in the 1960's (1960, '61 and '65). He was the first coach in NCAA history to guide his team to three consecutive NCAA men's tennis team titles. Morgan's Bruins also finished in second place four times. He produced four NCAA singles champions and five NCAA doubles team champions in his 16-year tenure. He coached tennis greats Arthur Ashe, Charles Pasarell, Bob Perry and Ian Crookenden, to name a few. The NCAA singles champions during his tenure included Larry Nagler (1960), Allen Fox (1961), Ashe (1965) and Pasarell (1966). The NCAA doubles champions he coached included Perry-Larry Huebner (1953), Perry-Ron Livingston (1954), Fox-Nagler (1960), Ashe-Crookenden (1965) and Pasarell-Crookenden (1966).

Morgan was inducted into the ITA Collegiate Hall of Fame in 1983. In his honor, the building that currently houses the athletic department offices and connects with the UCLA Athletic Hall of Fame is named the J.D. Morgan Center.

► Glenn Bassett 1967-1993

Glenn Bassett maintained the tradition of Ackerman and Morgan from 1967 to 1993, collecting seven NCAA team championships and 13 Pac 8/10 titles. In his 27 years at the helm he never had a losing season. In addition, he produced three NCAA singles champions, four NCAA doubles team champions and 49 All-Americans. He is the only coach in NCAA history to win an NCAA tennis title as a player (one), assistant coach (five) and head coach (seven). Including his years as an assistant coach, he has worked with some of tennis' most recognized players, including national champions Arthur Ashe, Ian Crookenden, Billy Martin and Jimmy Connors, and 1992 Olympian Mark Knowles. He finished his career ranked as the nation's winningest (by percentage) active Division-I men's tennis coach, having compiled an impressive dual match record of 592-92-2 (.864).

After retiring from UCLA, Bassett joined the Pepperdine staff for two years. He continues to be a supporter of the Bruin program, attending home matches at the Los Angeles Tennis Center.

Left to right: J.D. Morgan, Glenn Bassett and Bill Ackerman

Jimmy Connors and Arthur Ashe made it an all-Bruin Wimbledon final in 1975

► Jimmy Connors 1971

Jimmy Connors, one of the few professional athletes in the world who remained a force in his respective sport for two entire decades, began his tennis success on the collegiate level as a player at UCLA.

Connors played a key role in the Bruins' 10th NCAA team championship when he captured the 1971 NCAA singles crown. The 1971 squad posted an impressive 17-0 record, one of only six undefeated years. Not only was he a key singles player during the 1971 year, but he also teamed up with Jeff Austin to post the team's best doubles record that season with a 9-1 mark.

After turning pro in 1972, Connors captured one Australian Open title (1974), two Wimbledon titles (1974 and '82) and five U.S. Open Championships (1974, '76, '78, '82 and '83).

He won every major championship except the French Open and is the only player in tennis history to have won the U.S. Open on three different surfaces (grass, clay and hardcourt). He reached the quarterfinals or better at the U.S. Open 17 out of 18 years, spanning from 1973-89 and 1991. Connors ranks as the all-time leader for most matches won at Wimbledon (84) and the U.S. Open (97).

The left-hander was also a talented doubles player on the pro level, owning 19 doubles titles, two of which were Grand Slams (1973 Wimbledon and 1975 U.S. Open). His highest doubles ranking was fifth on April 25, 1976.

On the professional circuit, he spent more weeks at the No. 1 spot than anyone in the history of the ATP rankings — 158 spanning from July 29, 1974 to Aug. 16, 1977.

Born Sept. 2, 1952, Connors remained one of the world's top tennis players until his retirement in 1993. In all, Connors competed on the pro tour for a remarkable 21 years, even reaching the semifinals of the 1991 U.S. Open at the age of 39.

► Arthur Ashe 1963-65

Arthur Ashe, one of tennis' all-time greats, began his climb to success at UCLA in 1962. He was the first prominent African-American male tennis player to grace both the collegiate and professional tennis scenes. As a freshman at UCLA, he was ranked No. 18 nationally and No. 6 in Southern California. In 1962, he was named a member of the American Junior Davis Cup squad and was the 1962 All-University of California singles and doubles champ (with Charles Pasarell).

Ashe's sophomore season at UCLA was just as successful as he reached the third round of the Wimbledon Championships and the quarterfinals of the NCAA singles championships. He finished the year ranked sixth nationally and second in Southern California. The 1963 U.S. Davis Cup member also became the first African-American to be ranked in America's "First 10" during his sophomore campaign.

Ashe co-captained the 1964 UCLA team that finished as the NCAA runner-up for the third straight time in as many years. Ranked third nationally and second in Southern California, Ashe was a 1964 NCAA singles semifinalist and NCAA doubles finalist.

His collegiate career peaked in 1965 when he brought home the coveted NCAA singles title and captured UCLA to an NCAA team title after a three-year run as NCAA runners-up. Ashe also teamed with Ian Crookenden for the 1965 NCAA doubles title, posting a 14-3 record in doubles play on the year. In singles, Ashe compiled a 36-4 record on the season, and picked up the NCAA title and AAUW singles titles. He was also the Southern California Intercollegiate champ, Ojai Tournament champion, Southern California championships finalist and Thunderbird Invitational finalist. Finishing the year ranked second nationally, he helped UCLA to a perfect 11-0 season. The year 1965 also marked the second time he was selected to the U.S. Davis Cup team.

Ashe, who was also a Kappa Alpha Psi fraternity member, earned four letters in tennis (1961-64). He graduated in June, 1966 with a degree in Business Administration.

He enjoyed an illustrious professional career with three Grand Slam singles titles (1968 U.S. Open, 1970 Australian Open and 1975 Wimbledon) and two doubles (1971 French Open and 1977 Australian Open) crowns to his credit. Ashe was a founding father of the present-day Association of Tennis Professionals (ATP).

Sports Illustrated named him the 1992 Sportsman of the Year, the third of his four appearances on the magazine's cover. Arthur Ashe, Jr., passed away on Feb. 6, 1993.

Bill Ackerman

J.D. Morgan

Glenn Bassett

Billy Martin

Dan Guerrero
Athletic Director
8th Year

On April 25, 2002, Daniel G. Guerrero was named UCLA's eighth Director of Athletics.

Guerrero, who assumed his duties on July 1, 2002, has enjoyed great success and exudes the pride of a student-athlete who is now calling the shots at his alma mater. Guerrero, one of the most respected and talented administrators in intercollegiate athletics, has placed his mark on the program as the director of athletics at UCLA. He is currently serving as the chair of the NCAA Division I Men's Basketball Committee and is in his fifth year on that committee. In addition, he is the second vice-president of the National Assn. of Collegiate Directors of Athletics (NACDA), serves on the NACDA Executive Committee and is also the first vice-president of the Division I Athletic Directors Association. He recently completed his service as chair of the NCAA's Division I Men's Basketball Academic Enhancement Group. In June of 2007, he was named NACDA Division I West Region Athletic Director of the Year.

In his seven years as AD, Guerrero has clearly established a pattern of "image and substance" that few in his profession can match. UCLA stands as the No. 1 University in the nation for NCAA team championships (104) won, a number that continues to grow under his direction. In those seven years, UCLA teams have won 18 NCAA team titles (the highest total in the nation in that span) in 11 different sports, finished second 14 times and have had an additional 24 Top Five finishes (67 total). A staggering 131 teams (of 161 possible) have qualified for NCAA post-season competition and the football team has appeared in six bowl games. The program has also won 42 conference championships in 15 different sports, produced 387 All-Americans and featured four Honda Award winners, including the 2003-04 Collegiate Woman Athlete of the Year.

Guerrero received his Bachelor's degree from UCLA in 1974 and was a four-year letterman on the baseball team. He is married to the former Anne Marie Aniello and they have two grown daughters: Jenna and Katie.

Glenn Toth
Sr. Assoc. Athletic Dir.
33rd Year

Having served the athletic department as an administrator for more than 32 years,

Glenn Toth enters his 13th year in charge of the men's and women's tennis programs, and second year overseeing the men's volleyball team, the men's and women's cross-country teams, and the men's and women's track & field teams. He previously had a long stint over the golf programs. In addition to his role as a sports supervisor, Toth has also seen duty as a head coach, an assistant coach, and serves as a member of athletic director Dan Guerrero's senior staff.

A senior associate athletic director with a variety of responsibilities, Toth serves as the liaison with shoe and apparel sponsor adidas, having orchestrated both the original 1999 agreement and its renewal in 2005. adidas supplies all Bruin teams, and represents the department's most lucrative sponsorship.

Toth also has administrative responsibility for the athletic equipment room, which designs, outfits, and maintains all of the Bruins' uniforms, practice, and playing equipment. In addition, the sports medicine area/athletic training room falls under Toth's supervision.

Toth also supervises the Athletic Fitness area, whose six coaches are responsible for mentoring all sports in strength and speed training, flexibility, and conditioning.

Toth graduated from UCLA in 1976 with a degree in economics and was hired shortly thereafter by former athletic director J.D. Morgan to work in the events and travel office. From 1978-84, he supervised the management of home athletic events and team travel. In 1982, Toth handled the logistics of UCLA's move to the Rose Bowl and at the same time became the department's first marketing director. Promoted to Associate Athletic Director in 1984, he was credited with several award-winning football marketing campaigns and the creation of the corporate relations program, which was his primary focus until 1998 when he was given additional responsibilities in sports supervision.

Dr. Gene Block
Chancellor
3rd Year

Dr. Gene Block became chancellor of UCLA on August 1, 2007. As chief executive of-

ficer, he oversees all aspects of the university's three-part mission of education, research and service.

Returning to the West Coast after 29 years at the University of Virginia, Chancellor Block holds UCLA faculty appointments in psychiatry and bio-behavioral sciences in the David Geffen School of Medicine and in physiological science in the College of Letters and Science. A fellow of the American Association for the Advancement of Science, he heads a research laboratory on campus that is funded by the National Institutes of Health (NIH). His academic specialization, circadian biology, deals with the functioning of 24-hour rhythms in higher organisms (See Scholarship).

Previously, Dr. Block served as vice president and provost of the University of Virginia, where he held the Alumni Council Thomas Jefferson Professorship in Biology and directed the National Science Foundation's Science and Technology Center for Biological Timing.

Chancellor Block joined the faculty of the University of Virginia in 1978. He served as vice provost for research from 1993 to 1998 and then as vice president for research and public service until his appointment as vice president and provost in 2001.

A native New Yorker, Chancellor Block holds a bachelor's degree in psychology from Stanford University and a master's and Ph.D. in psychology from the University of Oregon. He completed a postdoctoral fellowship at Stanford, studying with Colin Pittendrigh, "the father of biological timing," and Donald Kennedy, who later served as president of Stanford.

The inventor of a number of devices, Chancellor Block holds a patent for a non-contact respiratory monitor for the prevention of Sudden Infant Death Syndrome. He is an avid collector of vacuum-tube radios and has restored a number of high-performance cars.

Chancellor Block and his wife, Carol, have two children.
