

DAN GUERRERO

Athletic Director • UCLA '74 • 9th Year

In his eight years as UCLA's Director of Athletics, Daniel G. Guerrero has boldly placed his imprint on the school's athletic program.

Guerrero is one of the most respected and talented administrators in all of intercollegiate athletics. He is the current president of the Division I Athletic Directors Association. In addition, he is the first vice-president of the National Assn. of Collegiate Directors of Athletics (NACDA) and a member of the NACDA Executive Committee.

This past June, Guerrero completed a five-year term on the NCAA Division I Men's Basketball Committee. As the chair in 2009-10, he was involved with the negotiation of the new \$10.8 million, 14-year NCAA Men's Basketball Tournament television package

as well as the decision to expand the Tournament to 68 teams.

In Guerrero's eight years as AD, he has clearly established a pattern of "image and substance" that few in his profession can match. UCLA stands as the No. 1 University in the nation for NCAA team championships (106) won, a number that continues to grow under his direction. In those eight years, UCLA teams have won 20 NCAA team titles (the highest total in the nation in that span) in 11 different sports, finished second 16 times and have had an additional 28 Top Five finishes (64 total). A staggering 152 teams (of 184 possible) have qualified for NCAA post-season competition and the football team has appeared in seven bowl games. The program has also won 45 conference championships in 15 different sports, produced over 400 All-Americans and featured four Honda Award winners, including the 2003-04 Collegiate Woman Athlete of the Year.

Furthermore, during the 2008 Summer Olympic Games in Beijing, China, 39 Bruins participated as athletes or coaches, representing the United States and nine other nations. They won 15 medals, including four gold.

In the last eight years, UCLA has finished second three times (2007-08, 2006-07 and 2005-06), third twice (2004-05 and 2003-04), fourth (2009-10), sixth (2002-03) and 16th (2008-09) in the race for the Leerfield Sports Directors' Cup.

This past year, UCLA placed fourth in competition for the Leerfield Cup and won its 11th NCAA Championship in softball and its sixth in women's gymnastics. The Bruins finished second in baseball and men's water polo, tied for third in women's soccer (seventh straight College Cup), fifth in women's water polo, tied for fifth in men's soccer and men's tennis, sixth in women's golf, tied for ninth in women's tennis, 12th in women's rowing, 16th in men's golf, tied for 17th in women's basketball and women's volleyball and 19th in women's swimming. UCLA also won three conference titles and two league post-season tournaments and the football team won the EagleBank Bowl.

Guerrero came to UCLA in 2002 from UC Irvine, where he had served as UCI's fifth Director of Athletics for 10 years. Prior to arriving at UC Irvine, he was the Athletic Director for five years at Cal State Dominguez Hills (1988-92). He received his Bachelor's degree from UCLA in 1974 and played second base in the Bruin baseball program for four years. Born on November 10, 1951 in Tucson, AZ, he is married to the former Anne Marie Aniello and they have two daughters: Jenna and Katie.

GLENN TOTH

Senior Associate Athletic Director • UCLA '76 • 33rd Year

Glenn Toth, who has served the athletic department as an administrator for more than 30 years, enters his 14th year in charge of the UCLA men's and women's tennis programs. He is in his third year overseeing the men's volleyball team, the men's and women's cross-country teams, and the men's and women's track & field teams. In addition to his role as a sports supervisor, Toth has also seen duty as an assistant golf coach, and serves as a member of athletic director Dan Guerrero's senior staff.

A senior associate athletic director with a variety of responsibilities, Toth serves as the liaison with shoe and apparel sponsor adidas, having orchestrated both the original 1999 agreement and its renewal in 2005. adidas supplies all Bruin teams, and represents the department's most lucrative sponsorship. In addition, Toth was point person on the negotiation with International Sports Properties (ISP) which now handles the department's corporate relations, media rights, program printing, web page, ad sales, and sponsor promotions.

Toth also has administrative responsibility for the athletic equipment room which designs, outfits, and maintains all of the Bruins' uniforms, practice, and playing equipment. Sporting a staff of six full-time and additional part-time personnel, the equipment room has significant on-site capability, including laundry, mechanical repair, and custom fitting/tailoring.

In addition, the sports medicine area/athletic training room, which provides injury evaluation, treatment, rehabilitation, therapy, and nutritional services to over 700 student-athletes falls under Toth's supervision. UCLA sports medicine has 14 full-time employees, a student trainer program, and interfaces with UCLA medical personnel and physicians. Among the features of the sports medicine complex are hydrotherapy pools, physician's exam and treatment offices, and diagnostic ultrasound capability. Toth also supervises the speed, strength, and conditioning area and its six coaches.

Toth graduated from UCLA in 1976 with a degree in economics and was hired shortly thereafter by former athletic director J.D. Morgan to work in the events and travel office. From 1978-84, he supervised the management of home athletic events and team travel. In 1982, Toth handled the logistics of UCLA's move to the Rose Bowl and at the same time became the athletic department's first marketing director. Promoted to Associate Athletic Director in 1984, he was credited with several award-winning football marketing campaigns and the creation of the department's corporate relations program.

Toth lettered in golf at Tustin's Foothill High School where he graduated in 1972. He enjoys scuba diving, hiking, and mountaineering, and also serves as a Reserve Captain with the LA County Sheriff's Department, managing the Search and Recovery Dive Team. His golden retrievers are Misty and Dottie.

PAULEY PAVILION - HOME OF THE BRUINS

Pauley Pavilion is the home of UCLA's championship volleyball, basketball and gymnastics teams. The site of the 1984 Olympic gymnastics competition where the U.S. men's team earned a gold medal, Pauley Pavilion has been the host site for an unprecedented 13 NCAA Men's Volleyball Championships (1970, '71, '75, '77, '79, '84, '85, '87, '89, '93, '96, '99 and 2005).

Championship history lives in this pavilion. From the rafters hang 11 NCAA championship banners won by the UCLA men's basketball teams. UCLA volleyball teams have won nine of their 19 NCAA championships here, and the men's gymnastics team won national championships in this arena in 1984 and '87. The Bruin women's volleyball team won two of its three NCAA titles on the Pauley hardwood.

In the Spring of 2004, the women's gymnastics team won its first NCAA championship in Pauley.

The pavilion has hosted some of the largest collegiate volleyball crowds in history. In 1984, the men's NCAA championship match between UCLA and Pepperdine drew 9,809 fans to set a collegiate record that stood for 15 years. The 1987 NCAA championship match between the Bruins and USC Trojans attracted 8,952 spectators, third largest in NCAA history.

The 1993 NCAA final between UCLA and CS Northridge drew 8,482 fans and the 1996 final between the Bruins and Hawaii attracted 7,688 fans.

Renovation of the storied building began in the summer of 2010 and is slated for completion in 2012.

UCLA defeated Hawaii 3-2 to win the 1996 NCAA Men's Volleyball Championship in Pauley Pavilion. The Bruins have won an unprecedented 19 titles, nine in Pauley Pavilion, where they own a 25-1 record in NCAA tournament play.
