The Spieler Aquatics Center opened in September 2009, in time for the men's water polo season. Construction on the state-of-the-art aquatics facility began in July 2008. The aquatics center was made possible thanks to a generous lead gift from former student-athlete Tod Spieler and his wife, Catherine. Pictured diving into the pool in the photo above (center) is Tod Spieler, who took the inaugural swim in Dirks Pool.
