

UCLA finished the 2010 season tied for second place in the MPSF standings before posting a fourth-place finish at the conference tournament. Along the way, the Bruins advanced to the championship game in the NorCal and SoCal Tournaments, compiling a 19-6 overall record by the end of the season.

Featuring a nucleus of talented underclassmen, UCLA looked toward a pair of senior leaders in Ben Hohl and Jacob Murphy to lead the way. Hohl led the team in scoring with 42 goals, while Murphy finished fourth with 25 goals. True freshman Cristiano Mirarchi, hailing from Rome, Italy, made an immediate splash for UCLA. He scored 35 goals, second most on the team, and impressed with a five-goal effort in a 10-9 win over Stanford at the NorCal Tournament.

BEN HOHL

The Bruins also received strong performances from true sophomores Josh Samuels (27 goals) and Griffin White (23 goals). True freshman Aimone Barabino, arriving at UCLA from Recco, Italy, contributed at the center position, scoring 10 goals and logging 22 earned exclusions.

Hohl and Murphy each earned ACWPC All-America acclaim, while Mirarchi and Samuels secured honorable mention accolades. Among the top student-athletes in the history of UCLA's men's water polo program, Hohl was a three-time ACWPC All-Academic Team selection and MPSF All-Academic Team honoree.

In his second year as head coach, Adam Wright helped UCLA navigate a tough schedule in one of the most deep MPSF fields in recent memory. The Bruins advanced to the title match of the NorCal and SoCal Tournaments, falling to crosstown foe USC in each championship game.

Additionally, the Bruins faced a difficult situation at the goalkeeper position. With injuries to veterans Matt Rapacz (sophomore) and Andrew Mesesan (junior), UCLA called upon true freshman James Hartshorne to shoulder the load in the team's seventh game of the season. Hartshorne was up for the challenge, limiting Princeton to two goals in his debut (day one of SoCal Tournament).

The next day, Hartshorne logged a season-best 16 saves in UCLA's 8-6 win over UC Irvine, propelling the Bruins to a SoCal Tournament title game showdown against USC. Despite losing to the Trojans, 9-8, UCLA tied the contest in the final two minutes before USC scored the game-winning goal with 35 seconds to play. Hartshorne posted 10 saves in a valiant effort in just his second collegiate game, becoming just the first UCLA goalkeeper to play as a true freshman since 1999 (Brandon Brooks).

For the first time in school history, UCLA hosted the SoCal Tournament. UCLA used the pool at Sunset Canyon Recreation Center and Dirks Pool at Spieker Aquatics Center to host 16 teams and 32 games in two days.

JAMES HARTSHORNE

After dropping consecutive games to USC (Oct. 3) and California (Oct. 9), the Bruins got their season back on track with critical MPSF wins against Pacific (Oct. 10) and at home under the lights versus Stanford (Oct. 15). In UCLA's win against Stanford, Hohl stepped up with three goals and Hartshorne came through with several crucial stops in the final minute to seal a 9-8 win.

After collecting consecutive MPSF wins over UC Irvine (Oct. 17) and Long Beach State (Oct. 31), pushing their MPSF record to 4-1, the Bruins absorbed an 8-5 loss at USC (Nov. 6). Nevertheless, UCLA persevered by winning its final two MPSF contests to log a 6-2 regular-season conference record, its best finish in MPSF play since going 6-2 in 2006.

At the MPSF Tournament, UCLA used a 7-5 win over Pacific set up a semifinal showdown against USC. The Trojans opened a 7-1 halftime lead against UCLA and held on for a 10-5 victory, sending the Bruins toward the tournament's third-place match. Against California, UCLA overcame an early 4-1 deficit, tying the game 7-7 after three quarters, before losing 10-9 in regulation.

# MOUNTAIN PACIFIC SPORTS FEDERATION

The Mountain Pacific Sports Federation (MPSF) was established during the 1992-1993 season to serve the competitive needs of member institutions from the Big West, Pacific-10 and Western Athletic Conferences, as well as other selected universities in the western United States; and to provide championships competition for Division I intercollegiate Olympic sports in a conference setting. The founding principles on which the MPSF was originally formed were to provide enhanced competition and championship opportunities for sports without conference affiliation; to contain the costs of competition; and to ensure the survival of sports impacted by Title IX and other fiscal pressures. The Federation has also served as an incubator for emerging women's sports and as a safe harbor for sports impacted by conference realignments. Since its inaugural season the Federation has seen its primary conference membership grow by the addition of the Mountain West and West Coast Conferences and their respective member institutions, as well as the addition of women's water polo, women's gymnastics, women's lacrosse and men's and women's swimming. As a testament to its viability, the Mountain Pacific Sports Federation continues to successfully navigate the ever-changing sea of college sports by fostering contraction and expansion of its sports portfolio to meet the dynamic needs of its members. As the MPSF begins its 20th season in 2011-2012 and continues its legacy of championship competition, it affirms the vision of its founders and the relevance of its three founding principles, particularly during today's tumultuous economic times.

In 2011-2012, the MPSF will sponsor competition in 11 intercollegiate Olympic sports, adding men's and women's swimming for the first time, while serving approximately 1,800 student-athletes on 98 teams from 39 universities in 13 western states. All MPSF teams compete at the NCAA Division I level in men's soccer, men's and women's water polo, men's and women's indoor track and field, men's and women's gymnastics, men's and women's swimming, women's lacrosse and men's volleyball. MPSF champions are eligible to compete

in NCAA Championships with MPSF men's soccer, men's and women's water polo, and men's volleyball champions earning automatic qualification into NCAA championship events. Joining the Federation for the first-time in men's swimming are the University of North Dakota and the University of Wyoming.

During the 2010-2011 season, MPSF teams again won four NCAA team championship titles, bringing the Federation's total to 66 since the first season of competition in 1992-93. Stanford led the MPSF winning three conference championships in men's gymnastics, men's indoor track and field and women's lacrosse and following with NCAA championships in men's gymnastics and women's water polo. UC Davis took Federation championships in the inaugural MPSF women's swimming and diving championships and its second-consecutive title in women's gymnastics. USC took the team title in men's water polo with Sacramento State scoring its second-consecutive Federation title in men's soccer. Oregon won both the MPSF and NCAA women's indoor track and field championships for the second straight season, while Cal State Bakersfield won the inaugural men's swimming and diving championships. Two teams won their first-ever MPSF championships as California won in women's water polo and UC Santa Barbara broke through in men's volleyball.

Al Beaird has been the Federation's only executive director, taking the reins after being selected by the MPSF Administrative Committee in December 1997 after a national search. Beaird's position was established as a result of the Federation's continued growth and emerging tradition of NCAA and national championship caliber play, including 47 NCAA team championships during his tenure. Beaird, who formerly served on the athletics staff at his alma mater, UC Davis, where the integration of student and athlete is a long-rooted philosophy, oversees the administration of all Federation sports, having worked closely with administrators and coaches from more than 50 different universities over the course of

his administration. Beaird presided over the transition of the Federation from what was initially a scheduling alliance to what is now nationally recognized as the most successful NCAA Division I Olympic sports conference. Beaird directs all aspects of MPSF competition, including championships, officiating, rules compliance, scheduling, media relations, broadcasting, sponsorships and NCAA relations, while also shaping conference legislation, facilitating annual meetings and providing direction and communication for the Mountain Pacific Sports Federation Administrative and Executive Committees. In 2004, Beaird completed a four-year term, three years as chair, on the NCAA Men's Water Polo Championships Committee and one year as chair of the inaugural NCAA Men's and Women's Water Polo Rules Committee. Beaird feels privileged to work with coaches and student-athletes who compete at the highest levels, including those who compete on USA national teams as coaches or players in international and Olympic competition. With his in NCAA Olympic sports, Beaird has been called upon to serve as liaison to the national governing bodies for amateur athletics in the United States and the United States Olympic Committee. Beaird received his undergraduate degree in physical education from UC Davis before attaining his Masters of Business Administration from California State University, Sacramento. Beaird, who lives in Woodland, California, has two daughters who have been active in high school and club sports.
