Consuelo Lezcano befriended a kangaroo at the Taronga Zoo.

Amanda Livingston gave a thumbs-up to the action at the Great Barrier Reef.

Julia Pitts learned how to throw a boomerang.

The Bruins set sail on a boat ride to the Great Barrier Reef.

## FOLLOW THE BRUINS ON THE AIR

Head Coach Kathy Olivier and her UCLA women's basketball team will be featured throughout the season on the UCLA "Bruin Talk" Cable Television Show, which is taped twice monthly at Time Warner Cable in Santa Monica. The program, which is hosted by Dave Marcus and Lena Dajani, airs weekly from Ventura County to the San Diego area. The show also airs throughout the San Fernando Valley, into the South Bay and parts of Orange County and the Los Angeles Channel 36. On campus, it airs on a daily basis in the UCLA residence halls.

Fox Sports Net has developed a 17-game regular season Pac-10 schedule which will be shown, live or delayed, in a minimum of 30 million homes. Fox Sports Net has confirmed a live telecast of the Baylor and Arizona State home games and the road contests at Arizona and USC. Cable station LA Channel 36 will also broadcast selected home games on a delayed basis.

UCLA will also have all games broadcast by the Bruin radio network and on the Internet ([www.uclabruins.com](http://www.uclabruins.com)). In addition, 570am and Sirius satellite radio will broadcast selected games. All post-season games will be broadcast as well.

This is the 29th straight year that UCLA women's athletics events have been broadcast on commercial radio, longer than any other program in the West. Local broadcasters Dave Marcus and Michael Sondheimer will call the action.

UCLA head coach Kathy Olivier is interviewed on the Bruin radio network after each game.

## DAN GUERRERO

ATHLETIC DIRECTOR • UCLA '74 • 5TH YEAR

In just four years as UCLA's Director of Athletics, Daniel G. Guerrero has boldly placed his imprint on the school's athletic program.

A former Bruin baseball player, Guerrero exudes the pride of a student-athlete who is now calling the shots at his alma mater. Hailed as one of the nation's leading athletic directors, his first four years in this position have resulted in unprecedented success for the Bruins' broad-based athletic program. Guerrero has clearly established a pattern of "image and substance" that few in his profession can match. UCLA stands as the No. 1 university in the nation for NCAA Team Championships won (99 heading into 2006-07), a number that continues to grow under his direction.

During Guerrero's tenure, UCLA teams have won 13 NCAA championships (the highest total in the nation in that span), finished second 10 times and have had an additional 10 Top Five finishes. A staggering 76 teams (of 92 possible) have qualified for NCAA post-season competition, and the football team has appeared in four bowl games. The program has also won 28 conference championships, produced 231 All-Americans and featured four Honda Award winners, including the 2003-04 Collegiate Woman of the Year.

Over the past four years, Guerrero earned numerous honors, including 2002 UCLA Latino Alumnus of the Year; 2003 Cal State Dominguez Hills Alumnus of the Year and 2003 "Father of the Year" by the Father's Day Council of the American Diabetes Assn. On Sept. 10, 2002, the Los Angeles City Council honored him with Dan Guerrero Day. He also became the first athlete in any sport at Banning High School to have his jersey (No. 8 in baseball) retired. Guerrero was named one of the nation's Top 100 Most Influential Hispanics by Hispanic Business Magazine, and the May 5, 2003 issue of Sports Illustrated listed him No. 28 among the 101 Most Influential Minorities in Sports.

Guerrero, 54, came to UCLA in 2002 from UC Irvine, where he had served as UCI's fifth Director of Athletics for 10 years. Prior to arriving at UC Irvine, he was the Athletic Director for five years at Cal State Dominguez Hills (1988-92). He received his Bachelor's degree from UCLA in 1974 and played second base in the Bruin baseball program for four years. Born on November 10, 1951 in Tucson, AZ, he is married to the former Anne Marie Aniello and they have two daughters: Jenna (24) and Katie (20).

## PETRINA LONG

SR. ASSOCIATE ATHLETIC DIRECTOR/SWA • CALIFORNIA '77 • 3RD YEAR

Petrina Long is in her third year as Senior Associate Athletics Director/Senior Women's Administrator at UCLA, having joined the staff in June of 2004.

Long has oversight responsibility for several sports, including women's basketball, men's and women's volleyball, softball and women's gymnastics, as well as several administrative areas, including academic services.

Long came to UCLA from UC Irvine, where she had served as Senior Associate Athletic Director / Senior Women's Administrator since 1993, working closely with Bruin athletic director Dan Guerrero. She also served as interim Athletic Director following Guerrero's departure to UCLA in April of 2002.

During her 11 years at UC Irvine, Long supervised several of the university's 23 sports teams, as well as academic and student support, compliance and sports medicine. In addition, she was active in numerous groups on campus and in the community. Her campus activities included serving on the Chancellor's Advisory Committee on Intercollegiate Athletics (CACIA), and chairing the Diversity Development Program Board for two years. She was a board member of the Irvine Chamber of Commerce for several years and has been a school volunteer in the city of Tustin.

Long was also a member of the Big West Conference Council and previously chaired the Big West Compliance Committee for two years. She served on the Executive Committee of both the Big West Conference and the Mountain Pacific Sports Federation.

Prior to her tenure at UCI, Long spent nine years at Columbia University, serving in both the Associate and Assistant Athletic Director positions. She was the Assistant Athletic Director for Academic Affairs at Southern Methodist University from 1982-84 and was an advisor for student-athletes at the University of California, Berkeley, from 1979-82.

Long received her B.A. degree in Anthropology from the University of California, Berkeley, in 1977 and her Master's degree in Anthropology from Columbia in 1992. She and her husband, Sam McComey, have three children, Samantha, Monte and Traland.
