Dr. Gene Block

Chancellor • Stanford '70 • 5th Year

Dr. Gene Block became chancellor of UCLA in summer 2007, taking the helm of a world-class institution comprising 37,000 students and 27,000 faculty and staff, with an annual budget of \$3.6 billion. As chief executive officer, he oversees all aspects of the university's three-part mission of education, research and service.

Previously, Dr. Block served as vice president and provost of the University of Virginia, where he also held the Alumni Council Thomas Jefferson Professorship in Biology. With academic expertise in biological clocks, he conducts research on the neurobiology of circadian rhythms in higher organisms, leading a research lab funded by the National Institutes of Health (NIH). From 1991 to 2002, he directed the National Science Foundation's Science and Technology Center for Biological Timing. In 1997, he was named a fellow of the American Association for the Advancement of Science. He has invented a number of devices and

holds a patent for a non-contact respiratory monitor for the prevention of Sudden Infant Death Syndrome.

Dr. Block joined the faculty of the University of Virginia in 1978 as an assistant professor of biology. He served as vice provost for research from 1993 to 1998 and then as vice president for research and public service until his appointment as vice president and provost in 2001. He also headed an NIH graduate training program aimed at increasing the number of scientists from underrepresented groups. In 1998, he received the Commonwealth of Virginia's Outstanding Public Service Award for his work with Virginia's business community.

A native of Monticello, NY, Dr. Block holds a bachelor's degree in psychology from Stanford University and a master's and Ph.D. in psychology from the University of Oregon. He also completed a postdoctoral fellowship at Stanford, working with the late Colin Pittendrigh, "the father of biological timing" and distinguished biologist and former Stanford President, Donald Kennedy. Dr. Block and his wife, Carol, have two adult children.

Dan Guerrero

Athletic Director • UCLA '74 • 10th Year

On April 25, 2002, Daniel G. Guerrero was named UCLA's eighth Director of Athletics. A former Bruin baseball player, Guerrero, who assumed his duties on July 1, 2002, has enjoyed great success and exudes the pride of a student-athlete who is in charge of the program at his alma mater. Guerrero is one of the most respected and talented administrators in all of intercollegiate athletics. He is the current president of the National Association of Collegiate Directors of Athletics (NACDA) and a member of the NACDA Executive Committee and served as president of the Division I Athletic Directors Association in 2010-11.

This past year Guerrero received recognition by several prestigious organizations. In May, he was honored by the Black Coaches and Administrators Association as the Dr. Myles Brand Administrator of the Year. In April, he was presented with the Crystal Eagle Award by CORO Southern California, an organization that provides training of civic and government leaders. Additionally, he was recognized by the National Association of Basketball Coaches (NABC) with the Clifford Wells Award for

distinguished service to the organization.

In Guerrero's nine years as Athletic Director, he has clearly established a pattern of "image and substance" that few in his profession can match. UCLA stands as the No. 1 University in the nation for NCAA team championships (107) won, a number that continues to grow under his direction. In those eight years, UCLA teams have won 21 NCAA team titles (the highest total in the nation in that span) in 11 different sports, finished second 17 times and have had an additional 32 Top Five finishes (70 total). A staggering 172 teams (of 207 possible) have qualified for NCAA post-season competition and the football team has appeared in seven bowl games. The program has also won 46 conference championships in 15 different sports, produced over 460 All-Americans and featured four Honda Award winners, including the 2003-04 Collegiate Woman Athlete of the Year. Furthermore, during the 2008 Summer Olympic Games in Beijing, China, 39 Bruins participated as athletes or coaches, representing the United States and nine other nations. They won 15 medals, including four gold.

In the last nine years, UCLA has finished second three times (2007-08, 2006-07 and 2005-06), third twice (2004-05 and 2003-04), fourth (2009-10), sixth (2002-03), 11th (2010-11) and 16th (2008-09) in the race for the Learfield Sports Directors' Cup.

This past year in NCAA competition, UCLA won its 107th NCAA title in women's golf, placed second in women's gymnastics, third in women's water polo and women's tennis (tied), fifth (tied) in men's golf and men's soccer, ninth (tied) in men's tennis and women's soccer, 17th (tied) in men's basketball, women's basketball, baseball, softball and women's volleyball and 20th in women's swimming.

Guerrero came to UCLA in 2002 from UC Irvine, where he had served as UCI's fifth Director of Athletics for 10 years. Prior to arriving at UC Irvine, he was the Athletic Director for five years at Cal State Dominguez Hills (1988-92). He received his Bachelor's degree from UCLA in 1974 and played second base in the Bruin baseball program for four years. Guerrero, born on November 10, 1951 in Tucson, AZ, was raised in Wilmington, CA. He is married to the former Anne Marie Aniello and they have two grown daughters: Jenna and Katie.

Petrina Long

Senior Associate Athletic Director/SWA • California '77 • 8th Year

Petrina Long enters her eighth year as senior associate athletic director/senior women's administrator at UCLA, having joined the staff in June of 2004. Long has oversight responsibility for several sports, including women's basketball, women's volleyball, softball and gymnastics, as well as several administrative areas, among them academic services, compliance, equity issues, and governmental relations.

Long came to UCLA from UC Irvine, where she had served as senior associate athletic director/senior women's administrator since 1993, working closely with Bruin athletic director Dan Guerrero. She also served as UCI's interim athletic director following Guerrero's departure to UCLA.

In addition to her UCLA commitments, Long is also extensively involved in a number of areas relating to intercollegiate athletics. She currently serves as chair of the new NCAA Recruiting Cabinet after serving for three years as chair of the NCAA Academics and Eligibility Cabinet (AEC) Subcommittee on Recruiting. Long also serves on the NCAA Men's Volleyball Committee. On the conference level, Long is an administrative liaison to several sports, including women's volleyball, cross-country, track & field, and men's soccer (MPSF). She is also a past chair of the Senior Women's Administrative Committee (SWAC) and is currently a member of the Women's Basketball Tournament Committee.

During her 11 years at UCI, Long supervised several of the university's 23 sports teams, as well as academic and student support, compliance and sports medicine. In addition, she was active in numerous groups on campus and in the community. Her campus activities included serving on the Chancellor's Advisory Committee on Intercollegiate Athletics (CACIA), and chairing the Diversity Development Program Board for two years. She was a board member of the Irvine Chamber of Commerce for several years and has been a school volunteer in the city of Tustin. Long was a member of the Big West Council and previously chaired the Big West Compliance Committee for two years. She also served on the Executive Committee of both the Big West Conference and the Mountain Pacific Sports Federation.

Prior to her tenure at UCI, Long spent nine years at Columbia University, serving in both the associate and assistant athletics director positions. She was the Assistant Athletics Director for Academic Affairs at Southern Methodist University from 1982-84 and was an advisor for student-athletes at the University of California, Berkeley, from 1979-82.

Long received her B.A. degree in Anthropology from the University of California, Berkeley, in 1977 and her Master's degree in Anthropology from Columbia in 1992. She and her husband, Sam McCamey, have a daughter, Samantha, and two sons, Monte and Traland.

The Wooden Athletic Fund, named in honor of Nell and John Wooden, represents the best that intercollegiate athletics has to offer. The Wooden Athletic Fund is committed to the highest levels of integrity and excellence that are characteristic of this university. We exist to support the efforts of our student-athletes and assist in their pursuit of academic, athletic and personal accomplishment.

All contributions to the Wooden Athletic Fund play a pivotal role in fulfilling our commitment to our student-athletes. Your generosity is not only an investment in our rich and storied history, but, more importantly, a statement of support for our mission. As a member of the Wooden Athletic Fund, you can take pride in knowing you are making a difference in the lives of hundreds of student-athletes and their long term success. We are counting on you to join us in our efforts to keep UCLA at the pinnacle of intercollegiate athletics.

To encourage private support of our program, the best football and basketball seats are allocated to our most loyal and generous donors. Members of the Wooden Athletic Fund receive priority in the assignment of tickets for football and men's basketball home contests. When possible, donors also receive priority in the allocation of tickets for away game contests, bowl games, and NCAA tournaments.

If you have any questions regarding the Wooden Athletic Fund or the benefits that members receive, please contact the Athletics Development Office at (310) 206-3302 or visit woodenathleticfund.com.

The UCLA Athletics Campaign has endowed 211 of the 282 NCAA allowable athletic grants-in-aid. UCLA Athletics expresses its sincere gratitude to the individuals listed for their support in the continuing effort to distinguish UCLA as the nation's premier academic and athletics institution.

An endowment generates income to the University in perpetuity. By investing the gift principal and using just the interest earned to help meet the cost of a grant-in-aid assures the Athletic Department of on-going funds to maintain the quality and diversity of its program.

Currently, UCLA provides financial assistance to over 600 student-athletes participating in 24 intercollegiate sports. However, expenses such as the cost of tuition for student-athletes have increased dramatically in the last several years while department revenues have remained relatively stable.
