Administrator Biographies

Dr. Gene Block

Chancellor • Stanford '70 • 4th Year

Dr. Gene Block became chancellor of UCLA in August of 2007. As chief executive officer, he oversees all aspects of the university's three-part mission of education, research and service. A champion of public universities, Chancellor Block quickly called for UCLA to deepen its engagement with the city of Los Angeles and to increase access for students from underrepresented populations. An advocate of interdisciplinary scholarship, he has spearheaded a process of broad-based, campuswide strategic planning.

Chancellor Block holds UCLA faculty appointments in psychiatry and bio-behavioral sciences in the David Geffen School of Medicine and in physiological science in the College of Letters of Science. He also heads a research laboratory on campus that is funded by the National Institutes of Health (NIH).

Previously, Dr. Block served as vice president and provost of the University of Virginia, where he headed an NIH graduate training program aimed at increasing the number of scientists from underrepresented groups. In 1998, he received the Commonwealth of Virginia's Outstanding Public Service Award for his work with Virginia's business community. Dr. Block joined the faculty of the University of Virginia in 1978 as an assistant professor of biology. He served as vice provost for research from 1993 to 1998 and then as vice president for research and public service until his appointment as vice president and provost in 2001.

A native of Monticello, NY, Dr. Block holds a bachelor's degree in psychology from Stanford University and a master's and Ph.D. in psychology from the University of Oregon. He also completed a postdoctoral fellowship at Stanford, working with the late Colin Pittendrigh, "the father of biological timing" and distinguished biologist and former Stanford President, Donald Kennedy. Chancellor Block and his wife, Carol, have two adult children.

Dan Guerrero

Athletic Director • UCLA '74 • 9th Year

On April 25, 2002, Daniel G. Guerrero was named UCLA's eighth Director of Athletics, succeeding the retiring Peter Dalis. A former Bruin baseball player, Guerrero, who assumed his duties on July 1, 2002, exudes the pride of a student-athlete who is now in charge of the program at his alma mater.

Guerrero, one of the most respected and talented administrators in intercollegiate athletics, has placed his mark on the program as the director of athletics at UCLA. He is the current president of the Division I Athletic Directors Association. In addition, he is the first vice-president of the National Association of Collegiate Directors of Athletics (NACDA) and a member of the NACDA Executive Committee. This past June, Guerrero completed a five-year term on the NCAA's Division I Men's Basketball Committee. As the committee chair in 2009-10, he was involved with the

negotiation of the \$10.8 billion, 14-year NCAA Men's Basketball Tournament television package as well as the decision to expand the tournament to 68 teams.

In Guerrero's eight years as AD, he has clearly established a pattern of "image and substance" that few in his profession can match. UCLA stands as the No. 1 University in the nation for NCAA Team Championships (106) won, a number that continues to grow under his direction. In those eight years, UCLA teams have won 20 NCAA national team championships (the highest total in the nation in that span) in 11 different sports, finished second 16 times and have had an additional 28 Top Five finishes (64 total). A staggering 152 teams (of 184 possible) have qualified for NCAA post-season competition, and the football team has appeared in seven bowl games. The program has also won 45 conference championships in 15 different sports, produced over 400 All-Americans and featured four Honda Award winners, including the 2003-04 Collegiate Woman Athlete of the Year.

In the last eight years, UCLA has finished second three times (2007-08, 2006-07, 2005-06), third twice (2004-05, 2003-04), fourth (2009-10), sixth (2002-03) and 16th (2008-09) in the race for the National Association of Collegiate Directors of Athletics (NACDA) Director's Cup.

Guerrero came to UCLA in 2002 from UC Irvine, where he had served as UCI's fifth Director of Athletics for 10 years. Prior to arriving at UC Irvine, he was the Athletic Director for five years at Cal State Dominguez Hills (1988-92). He received his Bachelor's degree from UCLA in 1974 and played second base in the Bruin baseball program for four years. Guerrero was inducted into the UCLA Baseball Hall of Fame in 1996. He earned a Master's degree in Public Administration in 1982 from Cal State Dominguez Hills and was named to the Pi Alpha Alpha Honor Society for Public Affairs and Public Policy that same year. Guerrero is married to the former Anne Marie Aniello and they have two daughters: Jenna and Katie.

Petrina Long

Senior Associate Athletic Director/SWA • California '77 • 7th Year

Petrina Long enters her seventh year as senior associate athletic director/senior women's administrator at UCLA, having joined the staff in June of 2004. Long has oversight responsibility for several sports, including women's basketball, women's volleyball, softball and gymnastics, as well as several administrative areas, among them academic services, compliance, equity issues, and governmental relations.

Long came to UCLA from UC Irvine, where she had served as senior associate athletic director/senior women's administrator since 1993, working closely with Bruin athletic director Dan Guerrero. She also served as UCI's interim athletic director following Guerrero's departure to UCLA.

In addition to her UCLA commitments, Long is also extensively involved in a number of areas relating to intercollegiate athletics. She currently serves as chair of the new NCAA Recruiting Cabinet after serving for three years as chair of the NCAA Academics and Eligibility Cabinet (AEC) Subcommittee on Recruiting. Long also serves on the NCAA Men's Volleyball Committee. On the conference level, Long is an administrative liaison to several sports, including women's volleyball, cross-country, track & field, and men's soccer (MPSF). She is also a past chair of the Senior Women's Administrative Committee (SWAC) and is currently a member of the Women's Basketball Tournament Committee.

During her 11 years at UCI, Long supervised several of the university's 23 sports teams, as well as academic and student support, compliance and sports medicine. In addition, she was active in numerous groups on campus and in the community. Her campus activities included serving on the Chancellor's Advisory Committee on Intercollegiate Athletics (CACIA), and chairing the Diversity Development Program Board for two years. She was a board member of the Irvine Chamber of Commerce for several years and has been a school volunteer in the city of Tustin. Long was a member of the Big West Council and previously chaired the Big West Compliance Committee for two years. She also served on the Executive Committee of both the Big West Conference and the Mountain Pacific Sports Federation.

Prior to her tenure at UCI, Long spent nine years at Columbia University, serving in both the associate and assistant athletics director positions. She was the Assistant Athletics Director for Academic Affairs at Southern Methodist University from 1982-84 and was an advisor for student-athletes at the University of California, Berkeley, from 1979-82.

Long received her B.A. degree in Anthropology from the University of California, Berkeley, in 1977 and her Master's degree in Anthropology from Columbia in 1992. She and her husband, Sam McCamey, have a daughter, Samantha, and two sons, Monte and Triland.
