Reigning ITA National Coach of the Year Stella Sampras Webster is in her 17th season as head coach of the UCLA women's tennis program, taking a career record of 298-123 (.708) into the 2013 season. She is only the third head coach in UCLA women's tennis history, following Bill Zaima (1972-76 & 1986-96) and Gayle Godwin (1977-86).

In 2008, Sampras Webster led UCLA to the school's first NCAA Championship in women's tennis and first national championship since 1981 (AIAW). UCLA finished the season with a 24-5 overall record, marking the most wins for the program since 1982. Seeded No. 7 in the NCAA Tournament, the Bruins' dramatic run to the title culminated with a 4-0 victory over Cal in the final in Tulsa, Okla. It marked the 102nd NCAA title in UCLA history. Sampras Webster also guided the Bruins to their first Pac-10 Championship in 2008, finishing the conference season with a 7-1 record. She was named Pac-10 Coach of the Year at the end of the season.

Few college coaches can match Sampras Webster's ability to continually put their teams in the title hunt year in and year out. Prior to the 2008 championship season, she also guided the program to a pair of second place finishes in 2004 and 2007. In all, Sampras Webster's teams have finished in the top 10 at the NCAA Championships in 15 of her 16 seasons in Westwood. UCLA has also finished in the top 5 nationally on 10 occasions (1997, 2000, 2002, 2003, 2004, 2007, 2008, 2009, 2011 and 2012).

The 2000 ITA West Region Coach of the Year, Sampras Webster has recruited and coached some of the top players in collegiate tennis. Under her tutelage, a total of 21 players have achieved All-America status. Probably the most notable player during Sampras Webster's tenure is Riza Zalameda, who was a four-time All-American and the Most Outstanding Player at the 2008 NCAA Championships. She and partner Tracy Lin captured the NCAA Doubles title in 2008, marking the second UCLA team to capture the doubles title under Sampras Webster's tenure. Lauren Fisher and Daniela Bercek also won the title in 2004.

A 1991 graduate of UCLA with a degree in Psychology, Sampras Webster enjoyed a successful four-year career as a Bruin player from 1987-91 and competed on the pro circuit for a season prior to joining Zaima's staff. An

NCAA Doubles Champion as a freshman in 1988 with Allyson Cooper, Sampras Webster was also the NCAA doubles runner-up as a senior in 1991 with Kimberly Po. A four-time All-American, Sampras Webster was only the second player in UCLA history to obtain this status. She also won the 1989 and '91 Pac-10 doubles championship and the 1990 Rolex Regional doubles title. Sampras Webster completed her UCLA career ranked No. 3 nationally in doubles and No. 42 in singles. Team accomplishments were most important to Sampras Webster, who helped lead the Bruins to four straight NCAA top-three finishes.

As a professional, Sampras Webster's highest international singles ranking was No. 248, and her best in doubles was No. 142. Her professional highlights include competing in both singles and doubles at the U.S. Open and Lipton Championships. She advanced to the U.S. Open second round in doubles and also competed in doubles at Wimbledon. She also won three satellite tournament titles and competed in Team Tennis for the Wichita Advantage in 1992.

Born in Potomac, Md., Sampras Webster moved to the Los Angeles area as a child and graduated from Palos Verdes High School. A top-three player in Southern California and among the top 10 in the country as a junior, Sampras Webster claimed the CIF doubles title as a freshman and the singles title as a senior in 1987. She capped her high school career by being named her school's Athlete of the Year.

The second-oldest of four children of Sam and Georgia Sampras, Stella considers the support of her entire family most significant. Younger brother Pete demonstrated his level of support for Stella and the Bruin program when he personally endowed a scholarship and assisted with the important fund-raising effort in Stella's first fall at the helm. Pete won a record 14 Grand Slam singles titles during his playing days, including seven Wimbledon championships.

Sampras Webster and her husband, Steve, were married on January 3, 2002 in Dana Point, Calif. They are the proud parents of twin girls Sophia and Savannah.

With the ability to hold more than 10,000 spectators, the Los Angeles Tennis Center is one of the nation's premier on-campus facilities.

► The Los Angeles Tennis Center

Located on the UCLA campus nestled just west of Pauley Pavilion and south of Drake Stadium is the impressive Los Angeles Tennis Center: home to both UCLA men's and women's tennis teams.

The LATC was the first large-scale outdoor tennis stadium opened in the Los Angeles metropolitan area and was officially dedicated on May 20, 1984, just in time to host the 1984 NCAA Women's Tennis Championships and the 1984 Olympic Games. Since then, the LATC has been site of several top collegiate and professional tournaments. The NCAA Women's Tennis Championships returned to the LATC in 1987 and '88, while the NCAA Men's Tennis Championships called the LATC home in 1997.

On the professional level, the LATC has been a regular stop of the ATP Tour for many years. The first tournament held at the LATC, the Union 76 Pacific Southwest Open, featured former Bruins Jimmy Connors and Eliot Teltscher in the finals. The tournament, renamed The LA Open, continues to thrive at the LATC each summer.

The LATC features eight lighted, hard-surface courts, a 5,800-permanent seat grandstand around the three main courts and a two-level clubhouse. At full capacity, the LATC can accommodate more than 10,000 spectators. The clubhouse contains locker rooms, coaches' offices and team rooms for both the UCLA men's and women's teams, as well as offices for the Southern California Tennis Association (SCTA).

The second level of the clubhouse features a 4,000-square foot indoor dining area and kitchen. Center court is called the Times-Mirror Center Court. The stadium is named the Straus Stadium and Clubhouse.

A recent addition to the LATC came in 2005 when the Greiner Family Scoreboard was added to the back courts. Prior to that, the Budge Offer Family Scoreboard was added to the stadium courts in 2000. Both scoreboards enable fans to follow the action on every court from either location.

The newest project at the LATC was completed in January of 2010, as both the men's and women's teams received a complete renovation of their locker rooms.

The front entrance to the Los Angeles Tennis Center.

In addition to the three stadium courts, the LATC features five back courts.

The men's and women's locker rooms were renovated in 2010.

Administrator Biographies

Dan Guerrero

Athletic Director
11th Year

In 10 years, Dan Guerrero has clearly established a pattern of "image and substance" that few in his profession can match. UCLA

teams have won a nation's best 22 NCAA championships since his appointment, finished second 19 times and have enjoyed an additional 38 Top Five finishes. Overall, UCLA teams have won 108 NCAA Championships, a figure unmatched by any institution in the nation.

More than 80% of UCLA teams have qualified for NCAA post-season competition since 2002. The football team has appeared in eight bowl games and the men's basketball team advanced to consecutive Final Fours from 2006-08. The program has also won 51 conference championships in 15 different sports, produced nearly 500 All-Americans and featured four Honda Award winners, including the 2003-04 Collegiate Woman Athlete of the Year.

In June of 2010, Guerrero completed a five-year term on the NCAA Division I Men's Basketball Committee. As the chair in 2009-10, he was involved with the negotiation of the new \$10.8 billion, 14-year NCAA Men's Basketball Tournament television package, as well as the decision to expand the Tournament to 68 teams. Guerrero was named one of the nation's 100 Most Influential Hispanics by Hispanic Business Magazine (October 2004) and the May 5, 2003 issue of Sports Illustrated listed him #28 among the 101 Most Influential Minorities in Sports. He was one of 28 people whose photo was featured on that issue's cover.

Guerrero came to UCLA from UC Irvine, where he had served as UCI's fifth permanent Director of Athletics for 10 years (1992-2002). During his tenure, the program accumulated conference championships, garnered national rankings, featured graduation rates among the nation's best

Prior to arriving at UC Irvine, Guerrero worked at Cal State Dominguez Hills, where he led that program to national prominence while serving as Athletic Director for five years (1988-92). Guerrero received his Bachelor's degree from UCLA in 1974 and played second base for the Bruins for four years.

Guerrero, 60, was raised in Wilmington, CA. He is married to the former Anne Marie Aniello and they have two grown daughters.

Glenn Toth

Sr. Assoc. Athletic Director
16th Year

Glenn Toth, who has served the athletic department as an administrator for more than 35 years, enters his 16th year in charge of the UCLA men's and

women's tennis programs. He is in his fifth year overseeing the men's volleyball team, the men's and women's cross-country teams, and the men's and women's track & field teams. In addition to his role as a sports supervisor, Toth has also seen duty as an assistant coach, and serves as a member of athletic director Dan Guerrero's senior staff.

A senior associate athletic director with a variety of responsibilities, Toth serves as the liaison with shoe and apparel sponsor adidas, having orchestrated both the original 1999 agreement renewals in 2004 and 2010. adidas supplies all Bruin teams, and represents the department's most lucrative sponsorship. In addition, Toth was point person on the negotiation with International Sports Properties (ISP) which now handles the department's corporate relations, media rights, program printing, web page, ad sales, and sponsor promotions.

Toth also has administrative responsibility for the athletic equipment room which designs, outfits, and maintains all of the Bruins' uniforms, practice, and playing equipment. In addition, the sports medicine area/athletic training room, which provides injury evaluation, treatment, rehabilitation, therapy, and nutritional services to over 700 student-athletes, falls under Toth's supervision, as does the sports performance area and its seven full-time strength coaches.

Toth graduated from UCLA in 1976 with a degree in economics. From 1978-84, he supervised the management of home athletic events, team travel, and athletic insurance. In 1982, Toth handled the logistics of UCLA's move to the Rose Bowl and at the same time became the athletic department's first marketing director.

An avid hiker and climber, Toth completed a personal seven-summit ambition by climbing west coast giants Whitney, Rainier, Shasta, Hood, Adams, Baker, and Jefferson. Toth serves as a Reserve Deputy with the LA County Sheriff's Department, formerly in patrol and now in search & recovery. His golden retrievers are Misty and Dottie.

Dr. Gene Block

Dr. Block became chancellor of UCLA on August 1, 2007. Previously, he served as vice president and provost of the University of Virginia, where he held the Alumni Council Thomas Jefferson Professorship in Biology and directed the National Science Foundation's Science and Technology Center for Biological Timing. He also headed an NIH graduate training program aimed at increasing the number of scientists from underrepresented groups.

Chancellor Block joined the faculty of the University of Virginia in 1978. He served as vice provost for research from 1993 to 1998 and then as vice president for research and public service until his appointment as vice president and provost in 2001.

Student-Athlete Development

The Bruin Student-Athlete Development Program strives to enhance the student-athlete experience within the University setting by coordinating educational programs that address personal growth, leadership, professional development, and community service. Our goal is to assist student-athletes with their transition to college, provide opportunities to enhance their college experience, support the development of a well-balanced lifestyle, and prepare student-athletes to be champions in life.

Bruins in the Community

Bruin student-athletes have the opportunity to participate in community outreach activities on campus and throughout the Los Angeles area. Examples of these events include:

- Dribble for the Cure
- Weekly visits to Mattel Children's Hospital
- Prime Time Games: Championship Saturday
- UCLA Lab School Jog-A-Thon
- 'I'm Going to College' Program
- Adopt a Classroom
- Bruin for a Day

These opportunities give student-athletes the chance to mentor youth, give back to the community and serve as ambassadors for UCLA Athletics.

WOODEN ACADEMY: Teamwork, Leadership & Character

The Wooden Academy is a leadership development program designed to educate and support Bruin student-athlete leaders. The program was named after legendary Coach John Wooden, and strives to teach the principles of his Pyramid of Success. We believe that these skills will assist student-athletes in their pursuit to be successful leaders and teammates at UCLA, and as they prepare to be champions in life. Student-athletes have the opportunity to participate in the Wooden Academy each year by attending seminars to learn practical leadership lessons from coaches, administrators and Bruin alumni.

- **Leadership Development Program (LDP):** The LDP is designed to teach freshmen and transfers the skills they need to lead themselves and effectively work with others. Our goal is to create a strong network of future Bruin leaders.
- **Wooden Academy Seminars:** These seminars are offered to all student-athletes and address leadership, personal and professional development topics that are relevant to the student-athlete experience.
