Bruin Injury Update

Tiffany Burgess Has Toe Surgery, Ends Her Collegiate Career

UCLA senior Tiffany Burgess, whose 800m time of 2:04.54 is No. 5 on the current U. S. list (as of April 30), on Friday (April 25) had toe surgery. The six-to-eight week healing process and following rehabilitation means she will miss the upcoming Pac-10, NCAA Regional and NCAA Outdoor Championships, ending her outstanding Bruin collegiate career as one of the nation's top young, middle distance runners.

Burgess, who prepped at Van Nuys Birmingham HS, fractured the big toe on her right foot on April 19, running in the invitational 800m at the Mt. SAC Relays. Burgess was leading the race after the final turn (when she suffered the injury) and finished in sixth-place with a time of 2:04.62.

Burgess ran her season-best 800m mark of 2:04.54 on April 5, winning the event at the Rafer Johnson/Jackie Joyner-Kersey Invitational, held at Drake Stadium. During her Bruin career, Burgess was an NCAA Champion, running on UCLA's winning distance medley relay at the 2002 NCAA Indoor. She also earned NCAA Indoor All-American honors in 2003 (800m) and again in 2002 (4 X 400m relay). During the 2002 outdoor season, Burgess held the UCLA school record in the 800m (personal-best 2:03.73, May 4) for several months, until teammate Lena Nilsson established the new school mark of 2:02.26 on Aug. 13.

"I would be hard-pressed to identify an athlete in our program over the last four years that has grown more as a student-athlete than Tiffany Burgess," said UCLA distance coach Eric Peterson. "She started as a walkon athlete, running 2:17 in the 800m and has developed into one of the nation's top, young 800m runners. Losing her is a blow to our team and so very disappointing for Tiffany. Prior to the injury, she was running at an all-time high level and was very excited for the upcoming postseason. The good news is this is not a career-threatening injury, and her future as a national class runner is very bright."

Saturday, May 24 -Nilsson Sets Pac-10/UCLA 1500m Record

UCLA junior Lena Nilsson broke her own school and Pac-10 record in the 1500m, placing fifth in the event against a world-class field at the 29th annual Prefontaine Classic held at historic Hayward Field (11,097 attendance) in Eugene, OR.

Nilsson, a three-time NCAA individual champion who also has the school record in the 800m (2:02.26), clocked at 4:07.69, a personal-best and breaking her old school 1500m record of 4:09.89, set on July 6, 2002 in New Brunswick, ME. Her mark of 4:07.69 is also the top collegiate mark on this season's chart.

A statistical breakdown of Nilsson's race had her running a 64.96 after the first 400m, 66.62 in the second 400m (2:11.58, 800m) and a 65.13 in the third 400m (3:16.71, 1200m).

"This was a very good race for her," said Bruin distance coach Eric Peterson. "She broke through some pacing barriers she's never gone through before. That's quite a bit faster than Lena's ever been at the 1200m mark (3:16.71). She continues to make progress with every race and this effort comes at a key time."

Slovenia's Jolanda Ceplak won the 1500m race in a time of 4:02.44, followed by USA's Suzy Favor Hamilton (4:03.47), Ethiopia's Meskerem Legesse (4:03.96) and Jamaica's Mardrea Hyman (4:06.36). There were 12 runners in the race.
