

FACULTY, STUDENTS & ALUMNI

UCLA faculty have been awarded two Nobel Prizes in recent years: biochemist Paul Boyer in chemistry (1997) and pharmacologist Louis Ignarro in medicine (1998). Among faculty there have been three other Nobelists, nine National Medals of Science recipients and hundreds of Guggenheim Fellowships, Fulbright Awards and other academic distinctions. UCLA educates more students than any other university in California and was the most sought-after institution in the nation for this fall's freshman class. At UCLA, thousands of students extend their educations beyond the classroom by working directly with faculty on research projects. Many UCLA undergraduates participate in major research studies, working one-on-one with world-renowned scholars as they discover and create new knowledge. UCLA's alumni are bright stars on the world stage. They include leaders of industry and commerce — Oscar, Grammy, Tony, and Emmy winners; philanthropists and public servants; Olympians and professional athletes; educators, engineers, bankers, and astronauts.

BOOKS & TECHNOLOGY

The UCLA Library is ranked among the top ten academic research libraries in North America with holdings of nearly 7.6 million volumes. From the birth of the Internet at UCLA in 1969, UCLA continues to be a leader in resources for learning. UCLA is nationally recognized for developing ground-breaking computer services for undergraduates and was the first university to have a website for every undergraduate student. The university provides an innovative, on-line tool called "My.ucla.edu," which provides a Web page tailored to each student's academic needs.

OUTREACH & COMMUNITY SERVICE

From its founding, UCLA has been an integral and contributing part of the greater Los Angeles community. Outreach programs and volunteerism are as much a part of UCLA as academics and research, with hundreds of UCLA-sponsored programs providing a wide range of opportunities. Nearly 30 percent of UCLA's undergraduates volunteer for these programs, including tutoring youths, adults and incarcerated youths; addressing health and educational needs of underserved communities; combating poverty and homelessness; aiding the elderly and disabled; and providing legal, social, medical and educational assistance to community residents.

Through academic outreach, UCLA works with K-12 schools throughout Los Angeles to help greater numbers of students prepare to compete successfully for college. UCLA also is partnering with community colleges to increase the number of underrepresented students transferring to the university. Additionally, UCLA faculty,

researchers and students provide leadership and public service in health care, law, economic development, social welfare, urban planning, public policy, arts and the environment. Most academic departments have research projects, field studies or student internships that affect people's lives in Los Angeles, the state and the nation.

HEALTH CARE

Each year more than 300,000 patients from Southern California, the U.S. and around the globe come to the world-renowned UCLA Medical Center for treatment, while thousands more area residents receive care through Santa Monica-UCLA, primary care offices and community outreach health programs. The four schools in the medical enterprise are medicine, dentistry, nursing and public health. The medical center has been ranked as the best hospital in the West by U.S. News & World Report for 14 consecutive years. A new state-of-the-art medical center, which includes UCLA Medical Center, UCLA Neuropsychiatric Hospital and Mattel Children's Hospital at UCLA, is under construction and is scheduled to open in 2006. Santa Monica-UCLA renovations are scheduled for completion in 2006. Groundbreaking research is constantly taking place in the Jonsson Comprehensive Cancer Center, the Gonda (Goldschmied) Neuroscience and Genetics Research Center and in many other centers and laboratories on campus.

THE ARTS

A diverse array of public arts programming makes UCLA the leading arts and cultural center of the West. More than 500,000 people annually attend arts events including theater, music, opera and dance performances, lectures, poetry readings, exhibitions, film screenings, and media arts that are presented by UCLA's two professional arts schools. Check the Web sites at www.arts.ucla.edu and www.tft.ucla.edu for more information.

LIFELONG LEARNING

Another prime example of UCLA's connecting with the community is through UCLA Extension, one of the nation's largest divisions of continuing higher education, offering more than 4,500 courses each year in diverse fields of study. In addition, the university conducts guided walking tours and distributes self-guided tour maps. For further information, call (310) 825-8764 or check out UCLA on the Web at www.ucla.edu.

UCLA

DAN GUERRERO

ATHLETIC DIRECTOR • UCLA '74 • FIFTH YEAR

In just four years as UCLA's Director of Athletics, Daniel G. Guerrero has boldly placed his imprint on the school's athletic program.

A former Bruin baseball player, Guerrero exudes the pride of a student-athlete who is now calling the shots at his alma mater. Hailed as one of the nation's leading athletic directors, his first four years in this position have resulted

in unprecedented success for the Bruins' broad-based athletic program. Guerrero has clearly established a pattern of "image and substance" that few in his profession can match. UCLA stands as the No. 1 university in the nation for NCAA Team Championships won (99 heading into 2006-07), a number that continues to grow under his direction.

During Guerrero's tenure, UCLA teams have won 13 NCAA championships (the highest total in the nation in that span), finished second 10 times and have had an additional 10 Top Five finishes. A staggering 76 teams (of 92 possible) have qualified for NCAA post-season competition, and the football team has appeared in four bowl

games. The program has also won 28 conference championships, produced 231 All-Americans and featured four Honda Award winners, including the 2003-04 Collegiate Woman of the Year.

Over the past four years, Guerrero earned numerous honors, including 2002 UCLA Latino Alumnus of the Year; 2003 Cal State Dominguez Hills Alumnus of the Year and 2003 "Father of the Year" by the Father's Day Council of the American Diabetes Assn. On Sept. 10, 2002, the Los Angeles City Council honored him with Dan Guerrero Day. He also became the first athlete in any sport at Banning High School to have his jersey (No. 8 in baseball) retired. Guerrero was named one of the nation's Top 100 Most Influential Hispanics by Hispanic Business Magazine, and the May 5, 2003 issue of Sports Illustrated listed him No. 28 among the 101 Most Influential Minorities in Sports.

Guerrero, 54, came to UCLA in 2002 from UC Irvine, where he had served as UCI's fifth Director of Athletics for 10 years. Prior to arriving at UC Irvine, he was the Athletic Director for five years at Cal State Dominguez Hills (1988-92). He received his Bachelor's degree from UCLA in 1974 and played second base in the Bruin baseball program for four years. Born on November 10, 1951 in Tucson, AZ, he is married to the former Anne Marie Aniello and they have two daughters: Jenna (24) and Katie (20).

PETRINA LONG

ASSOC. ATHLETIC DIRECTOR/SWA • CALIFORNIA '77 • THIRD YEAR

Petrina Long enters her third year as associate athletic director/senior women's administrator at UCLA, having joined the staff in June of 2004.

Long has oversight responsibility for several sports, including women's basketball, men's and women's volleyball, softball and women's gymnastics, as well as

several administrative areas, including academic services.

Long came to UCLA from UC Irvine, where she served as senior associate athletic director/senior women's administrator since 1993, working closely with Bruin athletic director Dan Guerrero. She also served as interim athletic director following Guerrero's departure to UCLA.

During her 11 years at UCI, Long supervised several of the university's 23 sports teams, as well as academic and student support, compliance and sports medicine. In addition, she was active in numerous groups on campus and in the community. Her campus

activities included serving on the Chancellor's Advisory Committee on Intercollegiate Athletics (CACIA), and recently chairing the Diversity Development Program Board for two years. She was a board member of the Irvine Chamber of Commerce for several years and has been a school volunteer in the city of Tustin.

Long was a member of the Big West Council and previously chaired the Big West Compliance Committee for two years. She also served on the Executive Committee of both the Big West Conference and the Mountain Pacific Sports Federation.

Prior to her tenure at UCI, Long spent nine years at Columbia University, serving in both the associate and assistant athletic director positions. She was the Assistant Athletic Director for Academic Affairs at Southern Methodist University from 1982-84 and was an advisor for student-athletes at the University of California, Berkeley, from 1979-82.

Long received her B.A. degree in Anthropology from the University of California, Berkeley, in 1977 and her Master's degree in Anthropology from Columbia in 1992. She and her husband, Sam McCamey, have a daughter, Samantha, and two sons, Monte and Traland.

Press Credentials

Media and photography credentials for UCLA home meets may be obtained by working press only by writing or calling Amy Hughes of the UCLA Sports Information Office, PO Box 24044, Los Angeles, CA 90024, (310) 206-8123/(310) 206-4008; email: asymons@ucla.edu. All requests should be submitted at least 24 hours in advance. Press and photo credentials can be picked up at lower gate two of Pauley Pavilion.

Photography

Television and photo credentials entitle video and still photographers to shoot from designated spots on the floor. Members of the media are not allowed to sit between the 10-foot lines on the sport court, but may be seated opposite the benches in the break between the tables if they are on the brown tarp off of the sport court. Flash photography is prohibited.

Interview Policies

All interviews must be arranged by the Sports Information Office. Athletes have been instructed not to grant any interview, in person or by telephone, not arranged by the Sports Information Office. Telephone numbers are private and will not be released. Please do not expect team members to be available if you have not made prior arrangements.

Interview Availability

Players and coaches are available before or after practice depending on availability. Practice is generally from 7-10 am in Pardee Gym at the John Wooden Center. Please contact the Sports Information office to arrange access into the John Wooden Center. Afternoon interviews will require advance planning. Any photographer planning to attend practice must be cleared in advance by the John Wooden Center staff.

Travel Information

For security purposes, the UCLA Sports Information Office does not release to the general public any travel information for UCLA athletic teams. If you would like to reach a member of the UCLA women's volleyball team on the road, please contact the Sports Information Office.
