SPORTS INFORMATION

Dr. Gene Block became chancellor of UCLA in summer 2007, taking the helm of a world-class institution comprising 37,000 students and 27,000 faculty and staff, with an annual budget of \$3.6 billion. As chief executive officer, he oversees all aspects of the university's three-part mission of education, research and service.

Previously, Dr. Block served as vice president and provost of the University of Virginia, where he also held the Alumni Council Thomas Jefferson Professorship in Biology. With academic expertise in biological clocks, he conducts research on the neurobiology of circadian rhythms in higher organisms, leading a research lab funded by the National Institutes of Health (NIH).

From 1991 to 2002, he directed the National Science Foundation's Science and Technology Center for Biological Timing. In 1997, he was named a fellow of the American Association for the Advancement of Science. He has invented a number of devices and holds a patent for a non-contact respiratory monitor for the prevention of Sudden Infant Death Syndrome.

Chancellor Block joined the faculty of the University of Virginia in 1978 as an assistant professor of biology. He served as vice provost for research from 1993 to 1998 and then as vice president for research and public service until his appointment as vice president and provost in 2001.

Dr. Block also headed an NIH graduate training program aimed at increasing

CHANCELLOR
Alma Mater: Stanford '70
1st Year

the number of scientists from underrepresented groups. In 1998, he received the Commonwealth of Virginia's Outstanding Public Service Award for his work with Virginia's business community.

A native of Monticello, NY, Chancellor Block holds a bachelor's degree in psychology from Stanford University and a master's and Ph.D. in psychology from the University of Oregon. He also completed a postdoctoral fellowship at Stanford, working with the late Colin Pittendrigh, "the father of biological timing" and distinguished biologist and former Stanford President, Donald Kennedy.

Dr. Block and his wife Carol have two adult children.

In just five years as UCLA's Director of Athletics, Daniel G. Guerrero has boldly placed his imprint on the school's athletic program.

Guerrero, one of the most respected and talented administrators in intercollegiate athletics, has rapidly placed his mark on the program as the director of athletics at UCLA. He is currently serving as the chair of the NCAA's Division I Men's Basketball Academic Enhancement Group. He is also a member of the NCAA Division I Men's Basketball Committee. In June, he was selected 2007 NACDA Division I West Region Athletic Director of the Year.

In his first five years, Guerrero has clearly established a pattern of "image and substance" that few in his profession can match. UCLA stands as the No. 1 University in the nation for NCAA Team Championships (100) won, a number that continues to grow under his direction. UCLA teams have won 14 NCAA national championships (the highest total in the nation in that span), finished second 12 times and have had an additional 17 Top Five finishes. A staggering 94 teams (of 115 possible) have qualified for NCAA post-season competition and the football team has appeared in five bowl games. The program has also won 32 conference championships in 14 different sports, produced 286 All-Americans and featured four Honda Award winners, including the 2003-04 Collegiate Woman Athlete of the Year.

This past year, UCLA won an NCAA championship in women's water polo, the school's 100th NCAA team title, and placed second in men's soccer and women's tennis, third in women's golf, tied for third in men's basketball, women's soccer and women's volleyball, fourth in women's gymnastics, fifth in women's outdoor track and

6th Year

field, tied for fifth in men's tennis, seventh in men's golf and women's indoor track and field, ninth in men's outdoor track and field, tied for ninth in baseball and 15th in women's swimming. UCLA played in its fifth straight bowl game in football, placed 14th in the NCAA in women's rowing's varsity eight and won four league titles.

Guerrero, 55, came to UCLA in 2002 from UC Irvine, where he had served as UCI's fifth Director of Athletics for 10 years. Prior to arriving at UC Irvine, he was the Athletic Director for five years at Cal State Dominguez Hills (1988-92). He received his Bachelor's degree from UCLA in 1974 and played second base in the Bruin baseball program for four years.

Born on November 10, 1951 in Tucson, Ariz., he is married to the former Anne Marie Aniello and they have two daughters: Jenna and Katie.

Ken Weiner enters his 14th year as Associate Athletic Director-Business Operations at UCLA and his 28th year overall with the university. His duties include the administration and supervision of six Bruin sport programs, including baseball, men's and women's soccer, women's swimming and diving, and men's and women's water polo.

During his tenure at UCLA Athletics, his sports have garnered 12 national championships and numerous conference championship titles. He also oversees new business and project development and capital improvements for the department. Weiner spearheaded the negotiations that resulted in a 20-year agreement between UCLA and the Rose Bowl, including much needed facilities improvements for the football program. In addition, he supervises the athletic facilities division, the operations of UCLA's sports practice and competition venues, game and event operations, department and team travel and UCLA Camps and Clinics.

Weiner is responsible for major capital improvements for Athletics. Project include the renovated J.D. Morgan Intercollegiate Athletics Center and Acosta Student Athlete Training Center and Knapp Football Center, the new Hall of Fame, the Jackie Robinson baseball and Easton softball clubhouse construction and stadium renovations, the Drake Track/Marshall Field renovation, a new golf practice facility, Pauley Pavilion interior upgrades and the North soccer field construction. Current projects underway include the buildout of the Olympic Sport Locker Rooms in the Acosta Center and new baseball field of play at Jackie Robinson Stadium. The new Spieker Aquatic Center is scheduled to break ground in fall of 2008. Future projects include a major renovation of the historic Pauley Pavilion, upgrade

SENIOR ASSOCIATE ATHLETIC DIRECTOR
Alma Mater: UCLA '78
14th Year

of the baseball stadium clubhouse and practice facilities and construction of a new Academic Studies Center.

Weiner participates on a number of campus steering committees on behalf of Athletics, including the Campus Facilities Coordination, Campus Project Review and the Alumni Advisory Board. Weiner is a member of NACDA and IAAM. He has served on various committees for the NCAA, most recently as chairman of the Men's Water Polo Committee.

Prior to his appointment at UCLA Athletics, Weiner co-founded and served as Associate Director of the UCLA Central Ticket Office and continues to serve as the liaison between the Athletic Department and the CTO. He earned a Bachelor of Arts degree in Psychology from UCLA in 1978. He graduated with honors and was bestowed a Chancellor's Marshall award for service to the university.

He and his wife, Caren, have two children, Nicole, 21, and Kevin, 18.

UCSCA Fight Song

There is no harmony.

But what else would you expect from the most intense rivalry in sports. That's why we have the Lexus Gauntlet trophy, the final word on who will be the true winner this year. To learn more about the Lexus Gauntlet, please visit your local Southern California Lexus dealer.
