UCLA celebrates winning the 2009 NCAA Championship against USC.

Dr. Gene Block became chancellor of UCLA in August 2007. As chief executive officer, he oversees all aspects of the university's three-part mission of education, research and service.

A champion of public universities, Chancellor Block has set four major priorities for UCLA during his administration: academic excellence, diversity, civic engagement and financial security. He has called for UCLA to deepen its engagement with the Los Angeles region and to increase access for students from underrepresented populations.

Chancellor Block holds UCLA faculty appointments in psychiatry and bio-behavioral sciences in the David Geffen School of Medicine and in physiological science in the College of Letters and Science. He also heads a research laboratory on campus that is funded by the National Institutes of Health (NIH).

Previously, he served as vice president and provost of the University of Virginia. He holds a bachelor's degree in psychology from Stanford University and a master's and Ph.D. in psychology from the University of Oregon.

Chancellor Block and his wife, Carol, have two adult children. The Blocks are avid Bruin fans and attend the competitions of various Bruin athletic programs.

In eight years as UCLA's Director of Athletics, Daniel G. Guerrero has boldly placed his imprint on the school's highly-successful athletic program.

Guerrero, one of the most respected and talented administrators in intercollegiate athletics, has placed his mark on the program as the director of athletics at UCLA. He is currently serving as president of the Division I Athletic Directors Association. In addition, he is the first vice-president of the National Association of Collegiate Directors of Athletics (NACDA) and a member of the NACDA Executive Committee. This past June, Guerrero competed a five-year term on the NCAA Division I Men's Basketball Committee. In addition, he serves on the NACDA Executive Committee and is also on the executive board of the Division I Athletic Directors Association. In June of 2007, he was named NACDA Division I West Region Athletic Director of the Year.

In his first eight years, Guerrero has clearly established a pattern of "image and substance" that few in his profession can match. UCLA stands as the No. 1 University in the nation for NCAA team championships (106) won, a number that continues to grow under his direction. In those eight years, UCLA teams have won 20 NCAA team titles (the highest total in the nation in that span) in 11 different sports, finished second 16 times and have had an additional 28 Top Five finishes. A staggering 152 teams (of 184 possible) have qualified for NCAA postseason competition and the football team has appeared in seven bowl games. The program has also won 45 conference championships in 15 different sports, produced 400 All-Americans and featured four Honda Award winners, including the 2003-04 Collegiate Woman Athlete of the Year.

Guerrero came to UCLA in 2002 from UC Irvine, where he had served as UCI's fifth Director of Athletics for 10 years. Prior to arriving at UC Irvine, he was the Athletic Director for five years at Cal State Dominguez Hills (1988-92). He received his Bachelor's degree from UCLA in 1974 and played second base in the Bruin baseball program for four years. Born on November 10, 1951 in Tucson, AZ, he is married to the former Anne Marie Aniello and they have two daughters: Jenna and Katie.

Ken Weiner enters his 17th year overseeing the business operations for the UCLA Athletic Department and is in his 31st year overall with the university.

His duties include the administration and supervision of six Bruin sport programs, including baseball, men's and women's soccer, women's swimming and diving, and men's and women's water polo. During his tenure at UCLA Athletics, his sports have garnered 14 national championships and numerous conference championship titles. He also oversees new business and project development, and capital improvements for the department.

Weiner spearheaded the negotiations that resulted in a 20-year agreement between UCLA and the Rose Bowl, including much needed facilities improvements for the football program. In addition, he supervises the athletic facilities division, the operations of UCLA's sports practice and competition venues, game and event operations, department and team travel and UCLA Camps and Clinics.

Weiner is responsible for major capital improvements for Athletics. Project include the renovated J.D. Morgan Intercollegiate Athletics Center and Acosta Student Athlete Training Center and Knapp Football Center, the new Hall of Fame, the Jackie Robinson baseball and Easton softball clubhouse construction and stadium renovations, the Drake Track/Marshall Field renovation, a new golf practice facility, Pauley Pavilion interior upgrades and the North soccer field construction. Future projects include a major renovation of the historic Pauley Pavilion, upgrade of the baseball stadium clubhouse and practice facilities and construction of a new Academic Studies Center.

Weiner is a member of NACDA and IAAM. He has served on various committees for the NCAA, most recently as chairman of the Men's Water Polo Committee.

Prior to his appointment at UCLA Athletics, Weiner co-founded and served as Associate Director of the UCLA Central Ticket Office and continues to serve as the liaison between the Athletic Department and the CTO. He earned a Bachelor of Arts degree in Psychology from UCLA in 1978. He and his wife, Caren, have two children, Nicole, 23, and Kevin, 20.
