Dr. Gene Block

Chancellor • Stanford '70 • 9th Year

Dr. Gene Block became chancellor of UCLA in summer 2007, taking the helm of a world-class institution comprising 37,000 students and 27,000 faculty and staff, with an annual budget of \$3.6 billion. As chief executive officer, he oversees all aspects of the university's three-part mission of education, research and service.

Previously, Dr. Block served as vice president and provost of the University of Virginia, where he also held the Alumni Council Thomas Jefferson Professorship in Biology. With academic expertise in biological clocks, he conducts research on the neurobiology of circadian rhythms in higher organisms, leading a research lab funded by the National Institutes of Health (NIH). From 1991 to 2002, he directed the National Science Foundation's Science and Technology Center for Biological Timing. In 1997, he was named a fellow of the American Association for the Advancement of Science. He has invented a number of devices and holds a patent for a non-contact respiratory monitor for the prevention of Sudden Infant Death Syndrome.

Dr. Block joined the faculty of the University of Virginia in 1978 as an assistant professor of biology. He served as vice provost for research from 1993 to 1998 and then as vice president for research and public service until his appointment as vice president and provost in 2001. He also headed an NIH graduate training program aimed at increasing the number of scientists from underrepresented groups. In 1998, he received the Commonwealth of Virginia's Outstanding Public Service Award for his work with Virginia's business community.

A native of Monticello, NY, Dr. Block holds a bachelor's degree in psychology from Stanford University and a master's and Ph.D. in psychology from the University of Oregon. He also completed a postdoctoral fellowship at Stanford, working with the late Colin Pittendrigh, "the father of biological timing" and distinguished biologist and former Stanford President, Donald Kennedy. Dr. Block and his wife, Carol, have two adult children.

Dan Guerrero

Athletic Director • UCLA '74 • 14th Year

Thirteen years and 26 NCAA Championships later, Dan Guerrero's mantra of 'image and substance' has clearly been established at a level that few others in his profession can approach. At the department's helm when UCLA Athletics became the first to 100 NCAA team championships, the Bruins' current total of 112 NCAA titles is a figure unmatched by any institution in the nation. While UCLA teams have indeed won 26 NCAA championships since his appointment, another national leader, they have also finished second 26 times and have enjoyed an additional 49 Top Five finishes.

In fact, more than 80% of UCLA teams have qualified for NCAA post-season competition since 2002. The football team has appeared in 11 bowl games while the men's basketball team advanced to consecutive Final Fours from 2006-08 and has made five trips to the Sweet 16. The program has also won 59 conference championships in 15 different sports, produced nearly 600 All-Americans and featured eight Honda Award winners, including the 2003-04 Collegiate Woman Athlete of the Year.

UCLA's success has not just been confined to North America. On the world stage, during the 2012 Summer Olympic Games in London, 32 Bruins participated as athletes or coaches. Representing the United States and eight other nations, they combined to win nine medals, including six golds, a total exceeding what most countries take home in any single Olympiad.

Guerrero, recently named the 2014 NACDA Under Armour Athletic Director of the Year award, is the only athletic director at the NCAA Division I level (FBS, FCS and NCAA Division I-AAA) to earn three such awards (2006-07 at UCLA, 2001-02 at UC Irvine). In his 13 years at UCLA, the Bruins have finished second four times (2005-06, 2006-07, 2007-08 and 2014-15), third four times (2003-04, 2004-05, 2011-12 and 2012-13), fourth (2009-10), sixth (2002-03), seventh (2013-14), 11th (2010-11) and 16th (2008-09) in the race for the Learfield Sports Directors' Cup.

In 2012-13, UCLA won its first Capital One Cup since its inception in 2010-11, taking home the title in men's sports by vaulting to the top of the standings by claiming the 2013 College World Series. In 2011-12, both men (3rd) and women (2nd) finished in the top three, while in 2013-14, UCLA finished second in the Capital One Cup women's standings, having captured national titles in both women's soccer and tennis. The UCLA women finished 10th in the 2014-15 Capital One Cup, giving UCLA three Top 10 finishes in the last four years on both the men's and women's side.

During the 2014-15 season, men's water polo captured its ninth NCAA title, and six other UCLA teams finished among the Top 5 nationally: men's soccer (2nd), women's tennis (2nd), women's water polo (2nd), women's soccer (T-5th), softball (T-5th) and men's golf (T-5th). Additionally, the football team defeated USC for the third-straight year, posted a 10-3 record, won the Alamo Bowl and finished in the Top 10 in the final polls, while men's basketball won 22 games and advanced to the NCAA Tournament "Sweet 16" for the second-straight year. And when everything was said and done, 55 student-athletes earned All-America honors, and 92 earned selection to various all-conference teams.

Guerrero came to UCLA from UC Irvine, where he had served as UCI's fifth permanent Director of Athletics for 10 years (1992-2002). During his tenure, the program accumulated conference championships, garnered national rankings, featured graduation rates among the nation's best, and won numerous post-season honors for its student-athletes. In June of 2002 while still at UC Irvine, he was named the 2001-02 Division I-AA/I-AAA West Region NACDA Athletic Director of the Year.

Prior to arriving at UC Irvine, Guerrero worked at Cal State Dominguez Hills, where he led that program to national prominence while serving as Athletic Director for five years (1988-92).

Guerrero received his Bachelor's degree from UCLA in 1974 and played second base for the Bruins for four years. His three-year batting average in Pacific-8 Conference games was .343. Guerrero, known as "Warrior" during his playing career, was inducted into the UCLA Baseball Hall of Fame in 1996. The Bruin Athletic Director earned a Master's degree in Public Administration in 1982 from Cal State Dominguez Hills and was named to the Pi Alpha Alpha Honor Society for Public Affairs and Public Policy that same year.

Guerrero, 61, was raised in Wilmington, CA. He is married to the former Anne Marie Aniello and they have two grown daughters.
