Director of Cross Country

7th Year

Mike MAYNARD

Azusa Pacific, 1986

Mike Maynard enters his seventh season at UCLA and his fourth as the Director of Track and Field/Cross Country. In addition to being Director, Maynard also oversees the men's and women's throws program and coordinates all aspects of training for the Bruin decathletes. Maynard was the Bruin men's track and field head coach from 2010-12, as well as the throws coach for both squads. Prior to coming to UCLA, Maynard was head coach/throws coach at Boise State for nine years.

2014 marked a breakout season for the Bruins as both teams qualified for the NCAA Championships. The championship appearance for both squads in the same season was the first for UCLA since 1985. For the men it was the first trip to nationals since 2012 and 2004 for the women.

The Bruins put together a solid effort at the NCAA West Regional Championships to earn the berth. The men placed fourth overall while the women finished fifth. The fourth place finish by the men was the best since 2011 and the fifth place showing was the best since 2006 for the women.

Five Bruins earned USTFCCCA All-Region honors. Earning USTFCCCA All-Region accolades was Ferdinand Edman (13th), Lane Werley (16th) and Nick Hartle (22nd) for the men while Kelsey Smith placed ninth overall and Meghan Marvin was 14th. Smith also placed eighth overall at the 2014 Pac-12 Championships to earn second team honors. She became the first Bruin to earn back-to-back all-conference accolades in the history of the women's program. UCLA also had 12 selected to the Pac-12 All-Academic teams.

The 2013 season saw Kelsey Smith and Nick Hartle earn all-Pac-12 accolades. Smith went on to earn USTFCCCA All-Region honors and was joined by Nohe Lema. The 11th place finish for Smith at the NCAA regional meet was the best by a female Bruin since 2006. The all-region honor

for Lema was his second in as many seasons. Off the course, 23 Bruins were named to the Pac-12 All-Academic team.

In 2012, the UCLA cross country teams experienced their best season in recent years, with the men finishing in 13th place at the NCAA Championships, their highest finish since 1985, and claiming an All-American in Lane Werley. The UCLA men also enjoyed a third-place finish at the NCAA Regional meet and had four runners earn All-West Region honors. Werley also earned first-team All-Pac-12 honors after placing fifth at the Pac-12 Championships. On the women's side, the Bruins placed sixth at the Pac-12 Championships and seventh at the NCAA West Region Championships. They also ranked as high as 24th during the year in the coaches' poll.

The 2011 cross country squads competed well in the inaugural season for the new Pac-12 Conference. In spite of new conference competitors, Colorado and Utah, the Bruin men upheld their fourth place position in the conference with a fourth place finish at the 2011 Pac-12 Championships. The team claimed back-to-back team victories at the Nevada Chase and Aztec Invitational, culminating their season with a sixth place finish at the NCAA West Region Championships. Senior Kent Morikawa earned first team all Pac-12 Conference honors after placing eighth over and he, and fellow Bruin Nohe Lema were named to the USTFCCCA All-West Region team after their performances at the regional meet in Palo Alto, CA. In track, the men finished 17th behind All-American performances by Mike Woepse (2nd in pole vault), Alec Faldermeyer (3rd in hammer) and Marcus Nilsson (6th in decathlon). This was a huge improvement on the 34th place finish in 2010, and equaled the second-best team finish in the last ten years.

In his first year with the Bruins, the 2010 men's cross country team sent one athlete to the NCAA Championships, Marco Anzures, and finished fifth at Pac-10s and seventh in the West Region. In outdoor track, the men finished tied for 52nd at the NCAA Outdoor Championships with five athletes earning All-America honors and were fifth at the Pac-10 meet. In indoor track, the men won the MPSF Championship crown and tied for 47th at Nationals.

In his nine years as the head coach at Boise State, Maynard led a program which produced several historic events - back-to-back (2004 and 2005) national championships by Gabe Wallin in the men's javelin, over 50 new school record performances and 30 All-American accolades. The Broncos enjoyed unprecedented success behind Maynard's direction.

Maynard has also guided Bronco student-athletes to over 70 individual WAC Championships and over 90 marks on Boise State's all-time top three performance lists.

Maynard came to Boise State following an outstanding assistant coaching career at the University of Arizona. He was the associate head track and field coach for the Wildcat program for 13 years prior to joining the Broncos. While coaching at Arizona, Maynard guided 32 individual NCAA Division I All-Americans, including three NCAA National Champions.

Maynard's coaching resume also includes a two-year stint as the assistant strength and conditioning coach at Arizona, where he worked with the Wildcat football program as well as being responsible for the Arizona track and field, swimming and tennis teams. He began his collegiate coaching career at Mesa Community College (Ariz.) where he was the assistant track and field coach from 1982-84, and in 1987.

Maynard was also instrumental in bringing a world-class facility to Bronco Track & Field. During his first two years leading the Broncos, Maynard and Boise State were successful in purchasing a world championship caliber track and helped construct the building to put it in. The Mondo track was used by USA Track and Field and the Georgia Dome for the national indoor championships. The building is the Idaho Sports Center located in the Idaho Center complex in Nampa, Idaho. The track was purchased with a \$250,000 cash gift from John Jackson, President of Jacksons Food Stores in Meridian, Idaho. Boise State has hosted several major meets, including six WAC Indoor Championships. The facility hosted its first national meet in 2005 with the USA Indoor Master's Championships. His efforts culminated last season, when the Boise State facility was host to the NCAA Championships.

Outside the collegiate world, Maynard has coached a World Champion, five different Olympians, a Pan American gold medalist, five USA Track and Field Champions and three American Junior Champions. One of Maynard's former athletes Tony Washington (1990-96), won the World Championship in the discus in 1999. Washington also won the gold medal in the discus at the 1991 Pan American Games along with five USA National Championships.

Maynard is currently an Executive Committee member of the United State Track Coaches Association and the NCAA Division I Track and Field Executive Committee. Maynard was also the head coach for the USA Track and Field team in its dual meet against Germany in 1996. He has served USA Track and Field as the Regional Decathlon Chairman, the United States Olympic Committee as an Elite Throws Clinician, and has been the lead throws clinician for the USA/Visa Decathlon team.

Maynard and his family reside in Valencia.

Distance Coach

7th Year

Forest BRADEN

Boise State, 2007

Forest Braden enters his seventh year with the Bruins and continues to serve as the primary cross country coach.

2014 marked a breakout season for the Bruins as both teams qualified for the NCAA Championships. The championship appearance for both squads in the same season was the first for UCLA since 1985. For the men it was the first trip to nationals since 2012 and 2004 for the women.

The Bruins earned their selection based on a stellar showing at the NCAA West Regional Championship. The men placed fourth overall while the women finished fifth. Five Bruins earned USTFCCCA All-Region honors. The fourth place finish by the men was the best since 2011 and the fifth place showing was the best since 2006 for the women.

Earning USTFCCCA All-Region accolades was Ferdinand Edman (13th), Lane Werley (16th) and Nick Hartle (22nd) for the men while Kelsey Smith placed ninth overall and Meghan Marvin was 14th. Smith also placed eighth overall at the 2014 Pac-12 Championships to earn second team honors. She became the first Bruin to earn back-to-back all-conference accolades in the history of the women's program.

The 2013 season was highlighted by USTFCCCA All-Region selections Kelsey Smith and Nohe Lema. Smith placed 11th at the NCAA regional meet to mark the best finish for a female Bruin since 2006. Lema earned all-region honors for the second straight season. On top of her all-region selection, Smith was an all-Pac-12 performer with her seventh place finish, the best for a Bruin since 2005. Nick Hartle earned all-Pac-12 honors on the men's side and 23 Bruins were named to the Pac-12 All-Academic Team.

The Bruin cross country teams has seen much

improvement under the guidance of Braden. In 2012, the Bruin men experienced their highest finish at the NCAA Championships since 1985, placing 13th overall. Lane Werley became the Bruins' first Cross Country All-American in five years after a 25th-place finish at the NCAAs. The UCLA men also enjoyed a third-place finish at the NCAA Regional meet and had four runners earn All-West Region honors (Werley - 5th place, Nohe Lema - 21st, Dustin Fay - 22nd, David McDonald - 23rd). Werley also earned first-team All-Pac-12 honors after placing fifth at the Pac-12 Championships.

On the women's side in 2012, the Bruins placed sixth at the Pac-12 Championships and seventh at the NCAA West Region Championships. They also ranked as high as 24th during the year in the coaches' poll.

During the 2011 season, Kent Morikawa led the men's squad for most of the year, earning All-Pac-12 honors with his eighth-place finish at the conference meet. The men's team finished fourth at Pac-12s and tied for sixth at the West Region, while the women were 10th in the conference and 18th at regionals. During the regular season, the Bruin men claimed back-to-back team victories at the Nevada Chase and Aztec Invitational.

In 2010, both the men and women showed improvement from the 2009 season. The men moved up from fifth to fourth at the conference meet, while the women moved up to sixth at Pac-10s. At the Regional meet, the men finished eighth, and the women improved to 10th.

In Braden's first year with the Bruins in 2009, UCLA sent Marco Anzures and Shannon Murakami to compete at the NCAA Championships. The men also finished fifth at the Pac-10 meet and seventh at the Western Regional. The women were seventh in the Pac-10 and 11th at the regional.

Before joining the Bruins, Braden served as a volunteer coach at Gonzaga, where he worked closely with standout distance coach Pat Tyson in recruiting and facilitating training sessions.

Prior to his coaching stint at Gonzaga, Braden was a three-time All-American runner for coach Mike Maynard at Boise State from 2002-2007, earning accolades in indoor and outdoor track as well as cross country. He also won seven Western Athletic Conference titles as a Bronco.

Braden also ran for Team Indiana Elite for one year and placed in the top-10 in five USATF Championship meets. In 2011, he started competing again on the track, primarily in the 5000m.
