DEREK FREEMAN

HEAD COACH • 4TH YEAR • (OKLAHOMA '94)

Now beginning his fourth season, Derek Freeman has created a list of accomplishments that few other UCLA golf coaches can match. He guided the Bruins to their second NCAA team title in 2008, mentored the only NCAA individual champion in UCLA history and smiled with pride as that player won a host of awards.

In 2009-10, Freeman's team entered the NCAA Championship with the youngest lineup in the tournament. He led the Bruins to a 16th place finish, a final ranking of ninth in the national poll and two team victories. Two players earned All-America honorable mention honors from the coaches association and four players earned All-Pac-10 acclaim. In addition, sophomore Alex Shi Yup Kim emerged as one of the most improved players in the country vaulting from 438th in the rankings his freshman year to 41st as a sophomore.

In 2008-09, despite the loss of three talented players during the season, Freeman managed to guide the Bruins to their seventh straight NCAA Championship berth, extending the longest in school history. Freeman also guided UCLA to its third NCAA Regional title in program history. In addition, Gregor Main was voted Pac-10 Freshman of the Year and senior Erik Flores became the only player in school history to earn 1st Team All-Pac-10 honors three times. Flores also earned All-America honors for the third time in

his career.

The Bruins won the 2008 NCAA title by one stroke over defending champion Stanford at Purdue's Kampen Course on the last day of May. A key par by senior All-American Kevin Chappell on the 72nd hole clinched the victory, but it was Chappell's bogey save from a disastrous lie at the 71st that enabled the Bruins to maintain a slim lead. Freeman kept his star player level-headed and positive, and coaxed his other senior -- Craig Leslie -- into playing the final three holes in one-under par to stymie the Cardinal's rally.

In the succeeding days, Chappell collected some awards that had UCLA historians dusting up their antique collection and creating new mantle space. He became the first UCLA golfer in the 75-year history of the program to win the NCAA individual championship and the Jack Niclaus Award. He also became just the third player in school history to earn consensus first-team All-America honors, and the first since 1985. A month before the season ended, Chappell became the sixth UCLA player to earn Pac-10 Golfer of the Year honors.

Freeman also claimed one other All-American -- Erik Flores, who also won his first collegiate individual title. In addition, both Chappell and Flores were selected First-Team All-Pac-10 members.

A former all-conference golfer at the University of Oklahoma, Freeman made an immediate impact on the UCLA program soon after his appointment on July 16, 2007.

Through the 2007 Fall campaign,

the Bruins did not lose a tournament, winning the Big Ten/Pac-10 Challenge, the Collegiate Match Play Championship and the CordeValle Collegiate.

The Bruins finished his first half season ranked No.2 in the nation.

In the November signing period, Freeman inked the nation's No. 2 ranked group of recruits as judged by GolfWeek. The list included two AJGA All-Americans and one of Mexico's top amateurs. Four months later, he added another AJGA All-American to that list.

In 2007-08, the Bruins won five tournaments, a figure that ranks fifth in school history. UCLA also won its first-ever Collegiate Match Play Championship. In that event, Chappell and freshman Philip Francis posted records of 4-0-0. During the season, four players won five individual tournament titles, including Chappell who won twice and ended the season 20-under par through 34 rounds. Chappell also set a single season school record by averaging 71.0 strokes per round and ended his career ranked fifth in school history with five career victories. Finally, he was the only player under par at the 2008 NCAA Tournament.

In his first year as the Bruins' assistant coach, Freeman coached the UCLA Blue Team, which won the Cougar Invitational and the Cal State Bakersfield Spring Invitational. Senior Chris Heintz won the Cougar event, and at the Bakersfield tournament, the Blue Team scorched the course for a score of 25-under par with sophomore Lucas Lee capturing medalist honors at 14-under par.

HEAD COACH - DEREK FREEMAN

Four years ago, Freeman spent the season as Oklahoma's men's assistant coach. In 2005-06, the Sooners finished 29th at the NCAA Championship after placing seventh in the NCAA Central Regional. Oklahoma also won its first Big 12 Conference team title since Freeman's sophomore year as all five players finished among the Top 15 individuals.

Prior to his appointment at OU, Freeman served the previous three seasons (2002-05) at Oklahoma City University. As an assistant coach for the men's and women's programs (2002-03), he helped lead OCU to 14 combined titles, including the men's 2003 NAIA Championship.

Following the 2003 season, Freeman was promoted to head coach of the OCU women's program and guided the Stars to their second straight runner-up finish at the NAIA Championship. In his second season, 2004-05, OCU captured the NAIA women's national championship and Freeman was named the NAIA National Coach of the Year. The team set a championship record with a 49-stroke victory.

In two seasons as the OCU women's coach, Freeman mentored eight All-Americans and seven academic All-Americans.

Twice he was voted the NAIA Region VI Women's Golf Coach of the Year (2004 and 2005).

In six of his last eight seasons as a head coach or assistant, his teams have won either a conference, regional or national championship.

As a player at OU, Freeman enjoyed a fine career, serving as the Sooners' captain for three seasons (1992-94). During his collegiate career, he earned All-Big Eight honors in 1994 and All-Big Eight academic honors in 1993. Freeman was a two-time Bruce Drake Award winner for most improved player and won OU's Jim Begwin Award for leadership and sportsmanship.

Overall, Freeman played in four Big Eight Conference Championships, including the 1992 event in which the Sooners won their first-ever league title. He also participated in four NCAA Regional events and four NCAA Championship tournaments. Of his 51 collegiate appearances, he finished in the Top 30 25 times.

He received his degree in Economics from OU in 1994 and later played two years on the Canadian, Mexican and Nike Tours. A rib injury forced him to change careers, and he worked in the financial services industry for five years prior to entering the coaching ranks.

Freeman, his wife Stephenie and their two sons live in the Santa Clarita Valley.

JASON SIGLER

ASSISTANT COACH • 1ST YEAR • KANSAS '06

Jason Sigler, a former four-year letterman for the University of Kansas golf team, begins his first season in 2010-11 as the Bruins' assistant golf coach.

Sigler, 27, spent the last five years as an instructor for the Dave Pelz Golf School. For the past year, he has served as the lead instructor at the Pelz school's Atlanta location, where he taught more than 1,000 students in one, two and

three day seminars. Sigler opened and organized the school in Atlanta and consistently received high evaluations from students. Dave Pelz is considered one of America's foremost short game experts and has tutored many golf professionals.

"We're excited to have Jason Sigler join the coaching staff at UCLA," said Head Coach Derek Freeman. "His instruc-

tional expertise as well as his collegiate experience will be very valuable in our pursuit of championships. In addition, Jason's motivation and excitement will continue to provide our student-athletes with the atmosphere to become successful."

Sigler played at Kansas from 2003-06, where he won the 2004 Kansas City Amateur Championship. He was an All-Big XII Academic selection from 2004-06. He earned his degree in Sports Management from Kansas in 2006.

A 2001 FCWT First-Team All-American, Sigler played four years of golf at Immaculata High School in Leavenworth, KS, his hometown. In 2001 won the Tapetio Springs championship and was a participant in the Kansas State Amateur.

"I am truly humbled to join the UCLA family and it is an honor to be part of their commitment to excellence in academics and athletics," Sigler said. "I want to thank Coach Freeman for this opportunity. I look forward to meeting the players and being part of such a prestigious institution."

Corey Pavin

UCLA has produced many outstanding golfers, including the likes of PGA TOUR members **Corey Pavin**, **Duffy Waldorf**, **Scott McCarron**, **Tom Pernice Jr.**, **Steve Pate**, **Brandt Jobe**, **Jay Delsing**, **John Merrick** and **Parker McLachlin**. These nine players have won more than \$60 million in their careers through the 2009 season.

One of the most successful players on the TOUR, **Corey Pavin**, was a two-time first-team All-American, the Pacific-10 Conference and NCAA Player of the Year in 1982, and the '82 Pac-10 individual champion. He won 11 collegiate tournaments while at UCLA and participated in the 1981 Walker Cup and the 1982 Masters and U.S. Open while still a collegian. In 1995, Pavin won his first "major" — the U.S. Open at Shinnecock Hills. His clutch four-wood to five feet on the 18th hole and subsequent par secured a two-shot victory

over Greg Norman. He qualified for the PGA TOUR in 1983, and in 1984, he won his first professional tournament. He has won 27 professional tournaments (12 on the international circuit), including the 1994 and 1995 Los Angeles Opens and the 2006 U.S. Bank Championship in Milwaukee. He played on the victorious 1991 and '93 U.S. Ryder Cup teams and has earned more than \$15 million. He finished 1991 as the PGA's leading money winner and was named the TOUR's Player of the Year that season. On Dec. 11, 2008, Pavin was named captain of the 2010 U.S. Ryder Cup team.

A Bruin golf letterman from 1982-85, **Duffy Waldorf** was a two-time NCAA All-American and the 1985 College Player of the Year. As a senior in 1985, Waldorf won the Pac-10 title and earned a spot on the U.S. Walker Cup team. He has won four times on the PGA TOUR, including the 2000 National Car Rental Golf Classic. In his 24-year PGA career, Waldorf has won more than \$11 million, including more than \$1.4 million

Duffy Waldorf

in 2004. He tied for fifth at the 1996 Masters and tied for ninth at the 1994 U.S. Open. Duffy was inducted into the UCLA Athletics Hall of Fame in 2002.

Former Bruin **Scott McCarron**, who played at UCLA from 1985-88, won his first professional tournament—the 1996 Freeport-McDermott Classic and tied for 10th at the Masters that season. McCarron, who won the 1997 and 2001 BellSouth Classics and recorded Top 10 finishes at the '97 U.S. Open and PGA Championships, has won more than \$11 million on the TOUR. In 2003, McCarron won more than \$1.2 million with two Top 10 finishes, including a second place finish at the Las Vegas Invitational. In 2008, following an injury the previous year, McCarron won nearly \$1 million to retain his TOUR card.

Tom Pernice Jr., a former two-time All-American and 1982 UCLA graduate, enjoyed one of his best seasons in 2006. He won more than \$2 million, recording six Top 10 finishes, including a runner-up finish at the Fed Ex St. Jude Classic.

In 2001, he won over \$1.3 million, including a victory at The International. In 1999, he won his first tournament, the Buick Open, by firing a final round 65 to win by one shot over Tom Lehman at the Warwick Hills Golf and Country Club in Grand Blanc, MI. In 1998, he finished second in the AT&T Pebble Beach National Pro Am, tied for 11th at the Greater Vancouver Open and placed 16th at the Sprint International. In 2004 he won more than \$1.4 million and finished among the Top 10 five times. In 2005, he recorded his fourth million dollar season by winning more than \$1.3 million in prize money. In 2008, his 26th on TOUR, he recorded five Top 10 results and won more than \$1.1 million. In his career, he has won more than \$13 million.

Brandt Jobe, a 22-year PGA professional, played for the Bruins from 1985-88 and helped lead UCLA to its first NCAA team championship in men's golf. His second place individual finish at the NCAAs that season was the highest by a UCLA player until Kevin Chappell won the 2008 title. As a professional, Jobe has won over \$6 million and added nine international victories. In 2005, he finished 25th on the money list with more than \$1.7 million in earnings.

Former All-American and Pac-10 Conference champion **John Mer-**

Scott McCarron

Former UCLA All-American Tom Pernice won his first tournament in 1999. He has won more than \$10 million in his career.

rick (UCLA '04) earned his PGA Tour card by finishing among the top money winners on the 2006 Nationwide Tour. Merrick won the Peek 'n Peak Classic and took home \$100,000. In his rookie PGA Tour season of 2007, he earned nearly \$650,000, made 16 cuts and finished 129th on the money list. In 2008, Merrick earned nearly \$1.3 million, and tied for fifth at the U.S. Open at Torrey Pines. Last year Merrick earned \$1.4 million by making 17 cuts in 28 starts. His career earnings are more than \$3 million.

John Merrick

Another former Bruin, **Parker McLachlin** (UCLA '02) earned more than \$625,000 on the PGA and Nationwide tours in 2007. In his first season on the PGA TOUR in 2008, he won the Reno-Tahoe Invitational and earned almost \$1.3 million to rank 68th on the money list.

Always a tough competitor, **Steve Pate** lettered from 1980-83, winning four college tournaments. In 1983, Pate won the Pacific-10 Championship and earned first-team All-America honors. He won six PGA tournaments in more than 20 years as a professional and competed on both the U.S. Kirin Cup Team (1988) and the winning U.S. Ryder Cup team in 1991. A wrist injury kept him off the Tour in 1997, but he recovered in time to win the 1998 CVS Charity Classic and earn a spot as a captain's pick on the victorious 1999 Ryder Cup team. He has career earnings of more than \$8 million.

Another UCLA All-American, **Jay Delsing**, was a key member of two Pacific-10 title teams. He was a three-time all-conference selection and earned first-team All-America honors in 1982 and second team acclaim in 1983. During his All-America years, he captured seven collegiate tournament titles. He has won more than \$3 million on the PGA TOUR, tied for second at the 1995 FedEx St. Jude Classic

and finished eighth at the 1994 Los Angeles Open. His best finish in 1998 was a tie for ninth in the Bell Canadian Open.

On the Nationwide Tour in 2010, former Bruin **Kevin Chappell** has enjoyed a fine season winning nearly \$300,000 in prize money. Chappell won the Fresh Express Classic, his first professional victory, and recorded four other Top 5 results.

Jim Albus, a 1965 UCLA graduate, was the head professional at the Piping Rock Club on Long Island for 14 years before choosing to play on the Champions Tour full-time in 1990. He won six tournaments, including the 1998 GTE Classic. His best season was 1994, when he won the Vantage At The Dominion and the Bank of Boston Senior Classic and earned \$1.2 million. Some of his other Champions Tour victories include titles at the 1991 Ford Senior Players Championship and the 1993 GTE Suncoast Classic. A member of the Metropolitan (NY) PGA Hall of Fame, Albus has won more than \$6 million in his professional career.

Three sources were used for this list: the Varsity Club database, lettermen's lists compiled by coaches dating back to 1962, and results.

In some instances, players are listed as lettermen based only on their results in competitions.

na—Player listed in Varsity Club database, but not on the coach's list of lettermen. They may have earned a letter prior to 1962, but no record exists.

r—Player listed on the roster only.

1988 NCAA CHAMPIONSHIP SUMMARY

In 1988, the Bruins won their first and only NCAA golf team championship at North Ranch Country Club in Thousand Oaks, CA. On the final day of the tournament, UCLA, 13 shots behind the leader, rallied for one of the great comebacks in NCAA golf history. The Bruins shot a one-under par 287 over the final 18 holes to win the national championship by three shots over Texas-El Paso. The Bruins' Brandt Jobe fired a final round three-under par 69 to record a one-under par 72-hole score of 287 and finish in a tie for second place. Jobe's finish was the best individual finish ever by a UCLA golfer in the NCAA Championship. Although no other Bruin finished among the Top 20, clutch performances, especially on the final day, produced one of the most memorable championship moments in UCLA history. Below are the scores from the 1988 NCAA Championships.

Bobby Lasken

1988 Team score: 1,176. Individuals: Brandt Jobe, 2nd tie (72-73-73-69 — 287); Bobby Lasken, 26th tie (74-71-75-75 — 295); Tim Cruikshank, 31st (79-73-73-71 — 296); Kevin Leach, 43rd (76-78-72-72 — 298); Rich Greenwood, 85th (82-79-77-77 — 315).

2008 NCAA CHAMPIONS

Senior Kevin Chappell made a par on the 18th hole to give UCLA a one-shot victory on May 31, 2008 at the 111th NCAA Men's Golf Championship, hosted by Purdue at its Kampen Course in West Lafayette, Ind.

Chappell won the individual title and led the fourth-ranked Bruins to their first men's golf title since 1988. He finished at 2-under 286 and was the only player in the field under par for the event. He became the first UCLA player to win NCAA medalist honors.

"The feeling I have right now is better than anything," said Chappell. "To win individually is great, but it becomes even more special because the team also won. I can't say enough about this team. All season long we've always been there to pick each other up and that's what championship teams do."

In the third round, Chappell made a round-saving bogey from knee-high rough at the 18th hole. That score helped him post a cool 68 (-4) and assume first place entering the final round. At the time, he called it "the best bogey of my life." He amended that statement on May 31 with a bogey that preserved the Bruins' national championship.

At the 71st hole, a 230-yard par 3 over water, Chappell dumped his tee shot in the hazard. His third shot from the drop area skirted 22 paces past the hole -- almost a certain double-bogey.

"I knew he could get it up and down from there," said Head Coach Derek Freeman. "I figured we'd take [a] five and move on to 18."

The two-time All-American chipped it in.

"That was the best bogey of my entire life," he said.

Chappell had struggled most of the week at the 18th. In the second round, he came to the brutish 484-yard par 4 at one-under par. A double-bogey gave him a 73 (+1). His bogey there in the third round prevented him from carding a 67 (-5).

And in the final round, he knew a par would preserve the Bruins' precarious one-shot lead and their championship dreams. His tee shot found the fairway, leaving him 189 yards to the green. His second shot landed 20 feet above the hole. He barely missed making a birdie, but tapped in for par before the entire UCLA entourage charged the green to embrace their senior leader.

"This is huge for our school which prides itself on national championships," said Freeman. "Now, I want to figure out how to get better because I sure like this feeling."

Senior Craig Leslie's birdies at the 16th and 18th holes proved crucial to the Bruins' title hopes, as well as key par saves on the final holes by junior Erik Flores and freshman Philip Francis.

The championship was the third won by the Bruins in the month of May, 2008. On Mother's Day the women's water polo team won its fourth consecutive national championship, and on May 20, the women's tennis team won its first team title. These three titles gave UCLA a total of 103, a national leader.

UCLA'S GCAA SCHOLAR ALL-AMERICANS

Brandon DiTullio, 1999-00

Travis Johnson, 2003-04

Chris Heintz, 2006

Alex Shi Yup Kim rose from 438th in the rankings his freshman year to 41st last season. He was voted First-Team All-Pac-10 and Honorable Mention All-American.

Many campus buildings can be seen from the Bel-Air Country Club, which is located across from UCLA on Sunset Blvd. The Bruins have been playing at the Robert C. Thomas classic for more than 50 years.

Bel-Air Country Club:

The Bel-Air Country Club, site of the 1976 U.S. Amateur Championship, has served as UCLA's home course for more than 50 years. Located five minutes from campus, Bel-Air's original architecture was done by George Thomas, Jack Neville and Billy Bell Sr., with most recent changes by Robert Trent Jones. The club has added a driving range which the Bruins use occasionally. Par: 70 Rating: 73.9 Yardage: 6,730.

Brentwood Country Club:

The Brentwood Country Club is located just 10 minutes from the UCLA campus. The course, which measures 6,782 yards and carries a 72.9 rating, puts emphasis on accuracy and is often subject to strong breezes off the nearby Pacific. Brentwood and UCLA also hosted the 1994 Women's Pacific-10 Conference Championship.

El Caballero Country Club: Tough par 71 course that has hosted many TOUR qualifying events. Designed by Robert Trent Jones, Sr., the course measures 6,815 yards and carries a rating of 73.6 and a slope of 135. UCLA alumnus Brandt Jobe holds the course record of 63.

Hillcrest Country Club: Located 10 minutes from campus, Hillcrest is one of the area's oldest layouts. Opened in 1922, it was the site of the 1929 PGA Championship and 1932 and '42 L.A. Opens. Hillcrest carries a 73.1 rating over 6,684 yards. Rolling fairways, numerous bunkers and large undulating greens plus some of the best views of the Los Angeles skyline make this an enjoyable test of golf.

Lakeside Golf Club: Located next to Universal Studios, this tight, heavily trapped course has small greens that demand great accuracy. The par 70 course has a 72.4 rating and measures 6,539 yards. The beautiful course was designed by Max Behr in 1925.

Los Angeles Country Club: Considered one of America's finest, the North Course is consistently ranked among the nation's Top 20 private golf courses. Both the North and South courses were designed by George C. Thomas, who also designed Riviera and Ojai Valley CC. Site of the 1983 Men's Pac-10 Championships won by UCLA. The North Course is rated 74.1 with a 140 slope over 6,909 yards. The Bruins enjoy regular playing privileges here.

Mountaingate Country Club: Sporty course that offers great vistas of Los Angeles. Severely contoured greens require a delicate putting touch. Measures 6,450 yards, is rated 72.2, plays to a par of 72, and overlooks the UCLA campus.

Oakmont Country Club: Built in 1924 and originally designed by Max Behr, Oakmont is located in the lush hillside of Glendale and boasts some of the fastest greens in the city. A variety of bunkers and

barrancas make the course a shotmaker's domain. Recently, Oakmont has hosted PGA and Champions Tour events. From the Goodman tees, the course plays 7,015 yards, carries a slope of 138 and a par of 72. Oakmont served as the site of the 2003 Men's Pacific-10 Conference Championship, which UCLA hosted and won.

Riviera Country Club: Recognized as one of the world's premier courses, Riviera annually hosts a PGA Tour event, which former Bruin Corey Pavin won in 1994 and '95. It has hosted several major championships, including the U.S. Open in 1948 won by Ben Hogan, the PGA Championship in 1983 and 1995 and the U.S. Senior Open in 1998. The course has several signature holes, including the par three sixth with a bunker in the middle of the green. Designed by George C. Thomas, Riviera measures more than 7,157 yards and plays to a par of 71.

Robinson Ranch: New facility, featuring two championship courses —The Mountain and The Valley. The Mountain Course measures 6,508 yards and offers dramatic views and plenty of water, while demanding strategic course management and accuracy off the tee. The Valley Course, which opened on Memorial Day 2000, meanders through untouched stands of stage and chaparral, California Sycamores and Coastal Live Oaks. Measuring 6,903 yards from the championship tees, The Valley's final six holes have been tagged Death Row.

TPC at Valencia: The TPC at Valencia, designed by Chris Gray and two-time major winner Mark O'Meara, is a big golf course requiring both length off the tee, precise iron play and bold putting. Running through oak canyons, river valleys and foothills, the course challenges players of every skill level. The course measures more than 7,200 yards from the tournament tees and plays to a par of 72.

Valencia Country Club: A classic Robert Trent Jones Sr. design featuring numerous bunkers, hidden water hazards and large, undulating greens. Prevailing afternoon winds can make this course play long and difficult. Signature hole is the par three third that features a long carry over water to a big, fast green, shaded by tall trees. From the tips, this par 72 course is rated 74.7 with a slope of 138 over 7,076 yards.

Wilshire Country Club: Medium length course that boasts the best greens in the city. A barranca runs through the course and comes into play on almost every hole. Carries a course rating of 71.8 at 6,506 yards and a slope of 132.

Vistas of the Westwood skyline can be enjoyed from the Los Angeles Country Club.

The Friends of Golf (FOG) organization has been a fixture of financial support for the UCLA golf program and collegiate and youth golf nationwide for the last three decades.

The origins of this group come from former UCLA head golf coach Eddie Merrins, who served as Bel Air's head professional for nearly 40 years. Under his active leadership, the UCLA golf program has developed into one of the most successful in the country.

To implement that program, Merrins pioneered the FOG organization to aid in fundraising activities for college and youth golf programs. FOG was incorporated in 1981 as a non-profit organization and has drawn enthusiasm from many prominent professionals in the business and sports communities.

Jack Nicklaus appeared at the 1991 FOG tournament.

The annual FOG event is highlighted by an elaborate golf tournament and dinner held at Bel Air Country Club. Luminaries such as Dinah Shore, Digger Phelps, Rick Pitino, David Wolper and Richard Crenna distinguished the tournament in 1991. Highlighting the 10th annual tournament was the legendary Jack Nicklaus. Each year, FOG honors a member of the PGA Tour, which has enabled Friends of Golf to endow the Golf Scholarship Fund at UCLA.

The late, legendary golfer Byron Nelson called the annual FOG event, "The best one-day golf tournament in the country."

UCLA's ON-CAMPUS PRACTICE FACILITY — "THE GIFF"

Jack and Rhodine Gifford (above) have been generous supporters of UCLA Athletics, particularly the golf programs. Their lead donation made possible UCLA's on-campus practice facility, nicknamed "The Giff." In addition, the Gifford Family has sponsored the Gifford Collegiate Championship for the last five years. The late Mr. Gifford was a 1960-61 UCLA baseball letterman as a first baseman. (Clockwise from top right): The view to the West shows the team room and tee box as players hit South toward Pauley Pavilion. The view looking East reveals the towers of Royce Hall and the Men's Gym, newly named the Student Activities Center. Facing North toward Sunset Blvd., the shrubbery in front of the facility spells out UCLA GOLF (below).

THE GIFFORD COLLEGIATE CHAMPIONSHIP

The Gifford Collegiate Championship, founded by the late Jack Gifford (UCLA '63) and his wife Rhodine, has come to symbolize outstanding golf and unmatched camaraderie. The Bruins have won the event twice, and in 2007 produced their first individual champion in James Lee. In addition to the 54-hole collegiate competition, the event also features a CollegeAm, a wives program and many other tournament traditions. Above left, is the perpetual Gifford Collegiate Championship Trophy, awarded to the victorious team. Top right, are the Bruins, who won the event in 2007. DAN GUERRERO

ATHLETIC DIRECTOR • UCLA '74 • 9TH YEAR

In just eight years as UCLA's Director of Athletics, Daniel G. Guerrero has boldly placed his imprint on the school's athletic program.

Guerrero, one of the most influential, respected and talented administrators in intercollegiate athletics, completed his term in 2010 as the chair of the NCAA Division I Men's Basketball Committee. In addition, he is currently serving as the president of the the Division I Athletic Directors Association and as the first vice-president of the

National Assn. of Collegiate Directors of Athletics (NACDA).

In his eight years as AD, Guerrero has clearly established a pattern of "image and substance" that few in his profession can match. UCLA's 106 NCAA team championships ranks No.1 in the nation. In Guerrero's tenure, UCLA teams have won a nation-leading 20 NCAA team titles in 11 different sports, finished second 16 times and have recorded an additional 28 Top Five finishes. A staggering 82% of UCLA teams have qualified for NCAA post-season competition and the football team has appeared in seven bowl games. The program has also won 45 conference championships in 15 different sports, produced 400 All-Americans and featured four Honda Award winners, including the 2003-04 Collegiate Woman Athlete of the Year.

Furthermore, during the 2008 Summer Olympic Games in Beijing, China, 39 Bruins participated as athletes or coaches, representing the United States and nine other nations. They won 15 medals, including four gold.

This past year, UCLA placed fourth in competition for the Leerfield Cup and won its 11th NCAA Championship in softball and its sixth in women's gymnastics. The Bruins finished second in baseball and men's water polo, tied for third in women's soccer after advancing to a seventh straight College Cup, fifth in women's water polo, tied for fifth in men's soccer and men's tennis, sixth in women's golf, tied for ninth in women's tennis, 12th in women's rowing, 16th in men's golf, tied for 17th in women's basketball and women's volleyball and 19th in women's swimming. UCLA also won three conference titles and two league post-season tournaments and the football team won the EagleBank Bowl.

Guerrero came to UCLA in 2002 from UC Irvine, where he had served as UCI's fifth Director of Athletics for 10 years. Prior to arriving at UC Irvine, he was the Athletic Director for five years at Cal State Dominguez Hills (1988-92). He received his Bachelor's degree from UCLA in 1974 and played second base in the Bruin baseball program for four years. Originally from Tucson, AZ, he is married to the former Anne Marie Aniello and they have two daughters: Jenna and Katie.

BOB FIELD

SR. ASSOCIATE ATHLETIC DIRECTOR • ARKANSAS '71 • 10TH YEAR

Bob Field is an associate athletic director and has served as a member of UCLA's athletic administration since January of 2001.

Field oversees men's and women's golf and women's rowing and serves as an aide to Dan Guerrero in all football matters. He was instrumental in the coaching search that resulted in the selection of Rick Neuheisel. Field also oversees housing, parking, training table, video services, agent relations and coaches' development.

Prior to his switch to administration, Field spent 22 seasons as an assistant coach with the Bruin football team. He was the assistant head coach during his final five seasons (1996-2000) and served as defensive coordinator for 16 seasons (1982-95 and 1999-2000) while tutoring outside linebackers, place kickers and defensive backs at various times in his career.

Field has been at UCLA since 1978, with the exception of the 1980 season. Over the years, he tutored some of the top athletes in school history and crafted numerous defenses ranked in the Top 20 in various categories.

He began his coaching career under the legendary Bear Bryant at Alabama (1971-72) and moved to Mississippi State in 1973. During his five-year tenure at MSU, he coached the secondary and served as defensive coordinator in his final four seasons with the Bulldogs.

Field earned a Bachelor's degree in Science Education at Arkansas in 1971 and was named to the All-Southwest Conference Academic Team his senior year. He was a three-year varsity letterman and two-year starter in the secondary. In his three varsity seasons, the Razorbacks were 28-5.

As a player and coach, Field participated in 20 bowl games, including one Orange, two Sugar, three Cotton, two Fiesta and five Rose Bowls. During his tenure at UCLA, the Bruins recorded eight consecutive bowl wins, eight straight wins over USC and won or tied for seven Pac-10 championships.

Field is married to Valorie Kondos Field, UCLA's women's gymnastics coach. He has three sons: Kyle, Brian and Michael. Brian and his wife Carmell have a daughter, Selah, 1.

UCLA is one of the world's premier universities. Thirty-one of its departments are ranked among the top 20 in their fields, and thirteen of those departments are among the Top 10. UCLA is the engine for real-world advances in health care, science, education, commerce, culture, humanistic studies, social exploration, and community service that enrich our neighborhoods, our nation, and our world on a daily basis. UCLA is a university with the size and scope to allow for unimagined diversity, unmatched breadth and depth of scholarship, and limitless possibility for its 24,000 undergraduates and 12,000 graduate students.

A recent study noted that UCLA's presence as a major employer, research institution and economic force generates more than \$9 billion for the Southern California region alone.

FACULTY, STUDENTS & ALUMNI

Five UCLA faculty have been awarded Nobel Prizes — the two most recent are Louis Ignarro in medicine (1998) and biochemist Paul Boyer in chemistry (1997). Among faculty there have been nine National Medals of Science recipients, and hundreds of Guggenheim Fellowships, Fulbright Awards and other academic distinctions. UCLA educates more students than any other university in California and was the most popular institution in the nation for this fall's freshman class. At UCLA, thousands of students extend their educations beyond the classroom by working directly with faculty on research projects. Many UCLA undergraduates participate in major research studies, working one-on-one with world-renowned scholars as they discover and create new knowledge. UCLA's alumni are bright stars on the world stage. They include leaders of industry and commerce — Oscar, Grammy, Tony, and Emmy winners; philanthropists and public servants; Olympians and professional athletes; educators, engineers, bankers, and astronauts. Founded in 1934, the UCLA Alumni Association serves 91,000 members with a comprehensive array of services, programs and activities.

BOOKS & TECHNOLOGY

The UCLA Library is ranked among the top ten academic research libraries in North America with holdings of more than eight million volumes as well as digital resources and services. From the birth of the Internet at UCLA in 1969, the university continues to be a leader in resources for learning. UCLA is nationally recognized for developing ground-breaking computer services for undergraduates and was the first university to offer a Web site for every undergraduate student. The university provides an innovative, on-line tool called "My.ucla.edu," which provides a Web page tailored to each student's academic needs.

OUTREACH & COMMUNITY SERVICE

From its founding, UCLA has been an integral and contributing part of the greater Los Angeles community. Outreach programs and volunteerism are as much a part of UCLA as academics and research, with hundreds of UCLA-sponsored programs providing a wide range of opportunities. Many of UCLA's undergraduates volunteer for these programs, including tutoring youngsters, adults and incarcerated youths; addressing health and educational needs of underserved communities; combating poverty and homelessness; aiding the elderly and disabled; and providing legal, social, medical and educational assistance to community residents.

Through outreach and academic preparation programs, UCLA works with K-12 schools throughout Los Angeles to help greater numbers of students prepare to compete successfully for college. UCLA also is partnering with community colleges to increase the number of underrepresented students transferring to the university. Additionally, UCLA faculty, researchers and students provide leadership and public service in health care, law, economic development, social welfare, urban planning, public policy, arts and the environment. Most academic departments have major research projects, field studies or student internships that directly affect people's lives in Los Angeles, the state and the nation.

Powell Library is one of four original structures on campus dating to the early 1920s.

HEALTH CARE

Each year more than 450,000 patients from Southern California, the U.S. and around the globe come to the world-renowned UCLA Medical Center for treatment, while thousands more area residents receive care through Santa Monica-UCLA Medical Center and Orthopaedic Hospital, primary care offices and community outreach health programs. The four schools in the medical enterprise are medicine, dentistry, nursing and public health. UCLA Medical Center has been ranked as one of the top hospitals in the country by *U.S. News & World Report*, including "Best in the West" for 21 consecutive years.

UCLA Community Outreach/Wooden Academy

All UCLA head coaches stress involvement with the campus and the community. Whether it's volunteering at an inner-city youth clinic, speaking to children at elementary and middle schools in the area, or assisting in campus programs such as 'Marathon Kids' and 'I'm Going to College,' community service is an important aspect of being a Bruin. These outreach opportunities give student-athletes a chance to mentor youth, give back to the community and serve as ambassadors for UCLA Athletics.

Community Outreach

Bruin student-athletes, coaches and staff have the opportunity to participate in community service activities on campus and throughout the Los Angeles area. Examples of these events include;

- Marathon Kids
- Dribble for the Cure
- Mattel Children's Hospital
- Elementary/Middle School Visits
- Team Prime Time/Prime Time Games
- UCLA Lab School Jogathon
- I'm Going to College
- Adopt a Classroom
- Special Requests/Events

These outreach opportunities give student-athletes a chance to mentor youth, give back to the community and serve as ambassadors for UCLA Athletics.

Wooden Academy: Teamwork, Leadership and Character

The Wooden Academy is a comprehensive leadership development program designed to educate and support the standards of leadership for Bruin student-athletes. The pillars of the Wooden Academy are teamwork, leadership and character. The program is named after legendary Coach John Wooden, and strives to teach the values and principles of his Pyramid of Success. We believe that these skills will assist student-athletes in their pursuit to be successful leaders and teammates at UCLA, and as they prepare to be champions in life. Student-athletes will have the opportunity to participate in the Wooden Academy each year by attending seminars and learning practical leadership lessons from coaches, administrators and Bruin alumni.
