The UCLA men's water polo team begins its seventh season playing at Spieker Aquatics Center in the fall of 2015. Over the past six seasons, UCLA has logged a 53-7 (.883) record at its state-of-the-art home facility.

Spieker Aquatics Center opened in September 2009, in time for the start of the men's water polo season that fall. PCL Construction broke ground on the facility in July 2008. The athletics department officially opened Spieker Aquatics Center on Sept. 26, 2009, as the men's water polo team defeated UC Irvine, 10-4, after a dedication ceremony that evening.

In 2015, UCLA is slated to play 11 regular-season matches (includes the Alumni Match and exhibition games), including hosting the UCLA Invitational at Spieker Aquatics Center. The Bruins' home will also be the site of the 2015 NCAA Men's Water Polo Championship (Dec. 5-6).

In the fall of 2011, UCLA hosted the MPSF Tournament (Nov. 25-27), using Dirks Pool at Spieker Aquatics Center. The Bruins took full advantage of their home court and won the Conference Tournament by beating top-ranked USC, 10-9, in sudden victory overtime on Nov. 27, 2012. The Bruins can also use the pool at Sunset Canyon Recreation Center when hosting larger events.

The Bruins' women's water polo program hosted the MPSF Tournament in May 2009, taking advantage of the home setting to win the title at the three-day event.

Entering its sixth full season as UCLA's home pool, Spieker Aquatics Center features a 52-meter by 25-yard all-deep water pool with a dividing bulkhead, allowing races to take place at varying distances (meters, versus yards). The pool also has four platforms on a diving tower, at heights of three, five seven and one half, and 10-meter platforms, as well as one and three-meter springboards. In addition, the aquatics center features a warming pool for divers directly behind the tower.

Adjacent to Sunset Canyon Recreation Center on the northwest portion of campus, the Spieker Aquatics Center was made possible thanks to a generous lead gift from former student-athlete Tod Spieker and his wife, Catherine. Tod, a 1971 UCLA graduate and All-American, swam for the Bruins from 1968-71 and still competes successfully in Master's Swimming.

The main pool, Dirks Pool, is named after Carolyn Dirks, who provided the lead gift for the swimming pool. Dirks Pool has also been used for special use events and Masters Swim meets. The signature feature of the Spieker Aquatics Center is the diving tower, which sits at the west end of the pool. The east end of the pool houses the new

scoreboard, an LED, state-of-the-art piece of electronics, making scores, statistics and messages easily visible to all in attendance.

Next to the scoreboard is the "Wall of Champions", showcasing all of UCLA's water polo, swimming and diving national championship teams, and individual student-athletes' achievements, record-holders and Olympians.

Separate men's and women's locker rooms house enough lockers for all team members, with shower space and bathroom stalls and sinks for each team. Equipment needed for meets and matches have storage capacity on the facility's south side.

When walking through the public entryway to the center, visitors first notice the Donor Wall. All donors who generously made gifts to the Spieker Aquatics Center are recognized on this wall. Additionally, over 50 former UCLA water polo players, swimmers and divers made gifts to "name" a locker. Those names will forever be part of the locker rooms in the new facility.

The state-of-the-art facility brings together all three of UCLA's intercollegiate aquatic sports — water polo, swimming and diving — to one venue. The aquatics center features event lighting and permanent seating with the possibility of additional temporary seating for larger events.

MOUNTAIN PACIFIC SPORTS FEDERATION

The Mountain Pacific Sports Federation (MPSF) was established during the 1992-1993 season to serve the competitive needs of member institutions from the Big West, Pacific-10 and Western Athletic Conferences, as well as other selected universities in the western United States; and to provide championships competition for Division lintercollegiate Olympic sports in a conference setting. The founding principles on which the MPSF was originally formed were to provide enhanced competition and championship opportunities for sports without conference affiliation to contain the costs of competition; and to ensure the survival of sports impacted by Title IX and other fiscal pressures. The Federation has also served as an incubator for emerging women's sports and as a safe harbor for sports impacted by conference realignments. Since its inaugural season, the Federation has seen its primary conference membership grow by the addition of the Mountain West and West Coast Conferences and their respective member institutions, as well as the addition of women's water polo, women's gymnastics, women's lacrosse and men's and women's swimming. As a testament to its viability, the Mountain Pacific Sports Federation continues to successfully navigate the everchanging sea of college sports by fostering contraction and expansion of its sports portfolio to meet the dynamic needs of its members. As the MPSF begins its 24th season during the 2015-2016 academic year and continues its legacy of championship competition, it affirms the vision of its founders and the relevance of

its three founding principles, particularly during today's tumultuous economic times.

In 2015-2016, the MPSF will sponsor competition in 10 intercollegiate Olympic sports, while serving 94 teams from 38 universities in nine western

states. All compete at the NCAA Division

MPSF teams I level in men's and women's water polo,

men's and women's indoor track and field, men's and women's gymnastics, men's and women's swimming and diving, women's lacrosse, and men's volleyball. MPSF team champions are eligible to compete in the NCAA Championships with men's and women's water polo, men's volleyball, and women's lacrosse champions earning automatic qualification. Competing in the MPSF this year for the first time will be the men's water polo program from San Jose State University, who officially reinstated its program in August, 2014.

During the 2014-2015 academic year, MPSF teams won four NCAA team championship titles, extending the streak to 11 straight years achieving such a feat. The federation collected its high of five national championships during the 2007-08 and 2008-09 years. This past year, UCLA Men's Water Polo, Stanford Women's Water Polo, Oregon Men's Indoor Track and Field, and Oklahoma Men's Gymnastics brought the MPSF's total to 80 NCAA titles since the first season of competition in 1992-93. With the Bruin men and the Cardinal women winning NCAA Water Polo titles, the MPSF has captured all 38 national championships in the sport since

the inaugural year of the conference (23 men, 15 women). Mountain Pacific Sports Federation Stanford led Water Polo the MPSF with two

> conference championships in 2014-15 (men's water polo, women's lacrosse). The Oklahoma Men's Gymnastics team has brought home the last four MPSF Championships, the longest current streak amongst all federation sports, as well as an all-sports MPSF record 14 overall conference titles.

> Al Beaird has been the Federation's only executive director, taking the reins after being selected by the MPSF Administrative Committee in December 1997 after a national search. Beaird's position was established as a result of the Federation's continued growth and emerging tradition of NCAA and national championship caliber play, including 63 NCAA team championships during his tenure. Beaird, who formerly served on the athletics staff at his alma mater, UC Davis, where the integration of student and athlete is a longrooted philosophy, oversees the administration

of all Federation sports, having worked closely with administrators and coaches from more than 50 different universities over the course of his administration. Beaird presided over the transition of the Federation from what was initially a scheduling alliance to what is now nationally recognized as the most successful NCAA Division I Olympic sports conference. Beaird directs all aspects of MPSF competition, including championships, officiating, rules compliance, scheduling, media relations, broadcasting, sponsorships and NCAA relations, while also shaping conference legislation, facilitating annual meetings and providing direction and communication for the Mountain Pacific Sports Federation Administrative and Executive Committees, In 2004, Beaird completed a four-year term, three years as chair, on the NCAA Men's Water Polo Championships Committee and one year as chair of the inaugural NCAA Men's and Women's Water Polo Rules Committee. Beaird feels privileged to work with coaches and student-athletes who compete at the highest levels, including those who compete on USA national teams as coaches or players in international and Olympic competition. With his in NCAA Olympic sports, Beaird has been called upon to serve as liaison to the national governing bodies for amateur athletics in the United States and the United States Olympic Committee. Beaird received his undergraduate degree in physical education from UC Davis before attaining his Masters of Business Administration from California State University,

UCLA'S FORMER HEAD COACHES

Bob Horn

Bob Horn served as UCLA's head men's water polo coach for 28 seasons before retiring at the conclusion of the 1990 campaign. That fall, he led the Bruins to a third-place NCAA finish and 24-8 record.

National Championship, marking the first time a team comprised entirely of collegians won the Club National Title.

Horn tutored 36 first-team All-America selections and nine Olympians. He guided UCLA to 50 consecutive victories over five years, coaching four undefeated squads. He retired with an overall record of 487-188-8 and a 102-62 mark in league play. Selected as the 1965 water polo "Coach of the Year", Horn also doubled as UCLA's swimming coach from 1963-74. In 1976, he was inducted into the U.S. Water Polo Hall of Fame.

Guy Baker

Guy Baker led the UCLA men's and women's water polo programs to seven national titles in a 10-year span. He left the water polo programs in January 2001 to become head coach of the U.S. Women's Water Polo National Team, a position he held through the spring of 2009.

Baker established UCLA as the dominant men's program of the 1990s with four men's NCAA championships (1995, 1996, 1999, 2000) and three national collegiate women's

titles (1996, 1997, 1998). He earned National Coach of the Year honors four times (1995-96 men, 1997-98 women) and coached the Women's National Team at the 2004 and 2008 Olympics.

Baker led the 2006-07 Women's National Team to gold medals at the 2007 World Championships, the 2007 World League Super Final and the 2007 Pan-American Games, where the team secured its qualifying spot for the 2008 Olympic games. Baker's combined record at UCLA was 265-97 overall and 64-28 in league games.

Three of his athletes were each named National Player of the Year twice — Coralie Simmons, Sean Kern, and Matt Swanson. In all, Bruin athletes secured All-America honors 52 times and eight players competed in the Olympics under Baker.

Adam Krikorian

Adam Krikorian served as head coach of the men's water polo team from 1999-2008 and as head coach of the women's program from 1999-2009. Krikorian now serves as the head coach of the U.S. Women's Water Polo National Team. He guided Team USA to its first-ever Olympic Gold medal in women's water polo in 2012 in London.

As head coach of both UCLA water polo programs, he helped lead the Bruins to 11 national championships (three men's, eight women's). He coached the men's water polo team to NCAA titles in 1999, 2000 and 2004. As head coach of the women's program, Krikorian guided UCLA to the 2000 National Collegiate Championship and NCAA titles in 2001 and 2003 before reeling off five consecutive NCAA championships (2005-09).

Between the two UCLA water polo programs, Krikorian coached six Peter J. Cutino Award recipients, seven National Player of the Year selections and 12 Olympians. He led the UCLA men's and women's teams to national championships in the same academic year on three occasions (1999-00, 2000-01 and 2004-05).

Krikorian assumed head coaching duties of the U.S. Women's Water Polo National Team following the 2009 collegiate spring season and helped guide Team USA to the gold medal at the 2009 FINA World Championships in Rome. The U.S. team secured first place at the world championships with a 7-6 win over Canada.

Krikorian was a four-year water polo letterwinner at UCLA (1992-95), helping lead the men's program to the 1995 NCAA Championship at the conclusion of his senior season (the program's first national title since 1972).

DR. JAMES PUFFER LOYALTY & CONTRIBUTION AWARD

Dr. James Puffer was a three-year water polo letterwinner (1969-71) and member of two national championship teams (1969, 1971) at UCLA. He earned his doctorate degree from UCLA Medical School in 1976, attaining a family practice residency at UCLA Medical Center upon his graduation. He was named Chief of the Division of Family Medicine in 1983 and helped to make the discipline a department in 1997, of which he chaired until 1998.

An instrumental figure within the UCLA Athletic Department, Dr. Puffer served as a team physician and Chief of Sports Medicine until his departure in 2001. He was an Olympic team physician during the 1988 Olympics in Seoul, Korea. In 1991, Dr. Puffer was instrumental in raising funds to endow the men's water polo program when its existence was at risk. He served as a mentor to UCLA student-athletes and coaches alike.

In December of 2001, Dr. Puffer left UCLA to assume the position of Executive Director of the American Board of Family Practice in Lexington, Kentucky. Puffer said at the time that he could not pass up "the opportunity to provide effective and dynamic leadership to my discipline." In his honor of leadership and devotion to UCLA, the Dr. James Puffer Loyalty and Contribution Award was established in 2001.

JACK BARITEAU MOST INSPIRATIONAL AWARD

Jack Bariteau was a three-year water polo letterwinner (1968-70) for the Bruins, helping guide UCLA to its first-ever NCAA championship in men's water polo in 1969. Bariteau played for the Bruins under long-time head coach Bob Horn. Since his days as a student at UCLA, he has been a tremendous benefactor to the men's water polo program.

Bariteau, along with a group of other former men's water polo players, helped launch a campaign in the early 1990s to preserve the men's water polo program at UCLA as an NCAA sport. Bariteau's name now graces the team's "Most Inspirational Award," in honor of his service to UCLA and commitment to the men's water polo program as an alumnus.
