Student-Athlete Development

The Bruin Student-Athlete Development Program strives to enhance the student-athlete experience within the University setting by coordinating educational programs that address personal growth, leadership, professional development, and community service. Our goal is to assist student-athletes with their transition to college, provide opportunities to enhance their college experience, support the development of a well-balanced lifestyle, and prepare student-athletes to be champions in life.

Bruins in the Community

Bruin student-athletes have the opportunity to participate in community outreach activities on campus and throughout the Los Angeles area. Examples of these events include:

- Dribble for the Cure
- Weekly visits to Mattel Children's Hospital
- Prime Time Games: Championship Saturday
- UCLA Lab School Jog-A-Thon
- 'I'm Going to College' Program
- Adopt a Classroom
- Bruin for a Day
- Sports clinics
- Elementary school activities and reading days

These opportunities give student-athletes the chance to mentor youth, give back to the community and serve as ambassadors for UCLA Athletics.

WOODEN ACADEMY: Teamwork, Leadership & Character

The Wooden Academy is a leadership development program designed to educate and support Bruin student-athlete leaders. The program was named after legendary Coach John Wooden, and strives to teach the principles of his Pyramid of Success. We believe that these skills will assist student-athletes in their pursuit to be successful leaders and teammates at UCLA, and as they prepare to be champions in life. Student-athletes have the opportunity to participate in the Wooden Academy each year by attending seminars to learn practical leadership lessons from coaches, administrators and Bruin alumni.

• **Leadership Development Program (LDP):** The LDP is designed to teach freshmen and transfers the skills they need to lead themselves and effectively work with others. Our goal is to create a strong network of future Bruin leaders.

• **Wooden Academy Seminars:** These seminars are offered to all student-athletes and address leadership, personal and professional development topics that are relevant to the student-athlete experience.
