Administrator Biographies

Dr. Gene Block

Chancellor / Stanford '70 / 8th Year

Dr. Gene Block became chancellor of UCLA in summer 2007, taking the helm of a world-class institution comprising 37,000 students and 27,000 faculty and staff, with an annual budget of \$3.6 billion. As chief executive officer, he oversees all aspects of the university's three-part mission of education, research and service.

Previously, Dr. Block served as vice president and provost of the University of Virginia, where he also held the Alumni Council Thomas Jefferson Professorship in Biology. With academic expertise in biological clocks, he conducts research on the neurobiology of circadian rhythms in higher organisms, leading a research lab funded by the National Institutes of Health (NIH). From 1991 to 2002, he directed the National Science Foundation's Science and Technology Center for Biological Timing. In 1997, he was named a fellow of the American Association for the Advancement of Science. He has invented a number of devices and holds a patent for a non-contact respiratory

monitor for the prevention of Sudden Infant Death Syndrome.

Dr. Block joined the faculty of the University of Virginia in 1978 as an assistant professor of biology. He served as vice provost for research from 1993 to 1998 and then as vice president for research and public service until his appointment as vice president and provost in 2001. He also headed an NIH graduate training program aimed at increasing the number of scientists from underrepresented groups. In 1998, he received the Commonwealth of Virginia's Outstanding Public Service Award for his work with Virginia's business community.

A native of Monticello, NY, Dr. Block holds a bachelor's degree in psychology from Stanford University and a master's and Ph.D. in psychology from the University of Oregon. He also completed a postdoctoral fellowship at Stanford, working with the late Colin Pittendrigh, "the father of biological timing" and distinguished biologist and former Stanford President, Donald Kennedy. Dr. Block and his wife, Carol, have two adult children.

Dan Guerrero

Athletic Director / UCLA '74 / 13th Year

Twelve years and 25 NCAA Championships later, Dan Guerrero's mantra of 'image and substance' has clearly been established at a level that few others in his profession can approach. At the department's helm when UCLA Athletics became the first to 100 NCAA team championships, the Bruins current total of 111 NCAA titles is a figure unmatched by any institution in the nation. While UCLA teams have indeed won 25 NCAA championships since his appointment, another national leader, they have also finished second 23 times and have enjoyed an additional 46 Top Five finishes.

In fact, more than 80% of UCLA teams have qualified for NCAA post-season competition since 2002. The football team has appeared in 10 bowl games and the men's basketball team advanced to consecutive Final Fours from 2006-08. The program has also won 56

conference championships in 15 different sports, produced nearly 600 All-Americans and featured six Honda Award winners, including the 2003-04 Collegiate Woman Athlete of the Year.

Guerrero, recently named the 2014 NACDA Under Armour Athletic Director of the Year award, is the only athletic director at the NCAA Division I level (FBS, FCS and NCAA Division I-AAA) to earn three such awards (2006-07 at UCLA, 2001-02 at UC Irvine). In his 12 years at UCLA, the Bruins have finished second three times, third four times, fourth, sixth, seventh, 11th and 16th in the race for the Learfield Sports Directors' Cup. During Guerrero's tenure, UCLA teams have captured the following NCAA team titles: six in women's water polo, three each in women's softball and women's gymnastics, two in women's golf and women's tennis, and one each in women's soccer, men's tennis, men's volleyball, women's volleyball, men's water polo, men's golf, men's soccer, women's outdoor track and baseball.

While success on the playing field with 25 NCAA Championships in 14 different sports and 23 second-place finishes during his tenure are extraordinary numbers, UCLA's academic success under Guerrero is equally noteworthy. Over 12 years and 36 quarters, student-athletes have earned more than 7,700 spots on the Director's Honor Roll.

Guerrero came to UCLA from UC Irvine, where he had served as UCI's fifth permanent Director of Athletics for 10 years (1992-2002), helping to elevate that program to unprecedented success. Prior to arriving at UCI, Guerrero worked at Cal State Dominguez Hills, where he led that program to national prominence while serving as Athletic Director for five years (1988-92).

A proud alumnus of UCLA, Guerrero received his Bachelor's degree from the University in 1974 and played second base for the Bruins for four years. Known as "Warrior" during his playing career, he was inducted into the UCLA Baseball Hall of Fame in 1996. The Bruin Athletic Director earned a Master's degree in Public Administration in 1982 from Cal State Dominguez Hills and was named to the Pi Alpha Alpha Honor Society for Public Affairs and Public Policy that same year.

Guerrero was raised in Wilmington, CA. He is married to the former Anne Marie Aniello, and they have two grown daughters.

Petrina Long

Executive Associate Athletic Director/SWA / California '77 / 11th Year

Petrina Long enters her 11th year as senior women's administrator at UCLA, having joined the staff in June of 2004, and first as Executive Associate Athletic Director. Long has oversight responsibility for gymnastics, women's basketball, and baseball, as well as several administrative areas, among them academic services, compliance, equity issues, and governmental relations.

Long came to UCLA from UC Irvine, where she had served as senior associate athletic director/senior women's administrator since 1993, working closely with Bruin athletic director Dan Guerrero. She also served as UCI's interim athletic director following Guerrero's departure to UCLA.

In addition to her UCLA commitments, Long is also extensively involved in a number of areas relating to intercollegiate athletics. She currently serves as chair of the new NCAA Recruiting Cabinet after serving for three years as chair of the NCAA Academics and Eligibility Cabinet (AEC) Subcommittee on Recruiting. Long also serves on the NCAA Men's Volleyball Committee. On the conference level, Long is an administrative liaison to several sports, including women's volleyball, cross-country, track & field, and men's soccer (MPSF). She is also a past chair of the Senior Women's Administrative Committee (SWAC) and is currently a member of the Women's Basketball Tournament Committee.

During her 11 years at UCI, Long supervised several of the university's 23 sports teams, as well as academic and student support, compliance and sports medicine. In addition, she was active in numerous groups on campus and in the community. Her campus activities included serving on the Chancellor's Advisory Committee on Intercollegiate Athletics (CACIA), and chairing the Diversity Development Program Board for two years. She was a board member of the Irvine Chamber of Commerce for several years and has been a school volunteer in the city of Tustin. Long was a member of the Big West Council and previously chaired the Big West Compliance Committee for two years. She also served on the Executive Committee of both the Big West Conference and the Mountain Pacific Sports Federation.

Prior to her tenure at UCI, Long spent nine years at Columbia University, serving in both the associate and assistant athletics director positions. She was the Assistant Athletics Director for Academic Affairs at Southern Methodist University from 1982-84 and was an advisor for student-athletes at the University of California, Berkeley, from 1979-82.

Long received her B.A. degree in Anthropology from the University of California, Berkeley, in 1977 and her Master's degree in Anthropology from Columbia in 1992. She and her husband, Sam McCamey, have a daughter, Samantha, and two sons, Monte and Traland.
