APPOINTMENT TIME

- Your Select-a-Seat appointment time was assigned to you based on your Wooden Athletic Fund Membership Level, Lifetime Giving Total to UCLA Athletics and consecutive years as a Basketball Season Ticket Holder. This time is listed on your invitation. If you are interested in increasing your support for the Wooden Athletic Fund to receive an improved selection time, please call (310) 206-3302.
- If you cannot make your appointment time, you may elect a proxy to attend in your place (see enclosed proxy form).
- We advise you to arrive at least 15 minutes in advance of your appointment to allow time for walking to and entering the building upon arrival.
- Your appointment will begin with a brief, but mandatory, orientation session. Late arrivals who miss this presentation will be asked to wait until the next appointment period begins.
- NO EARLY ADMITTANCE. Although advance check-in is encouraged, you will not be able to view available seating until your assigned appointment time. Early access to the seating area is not allowed.
- You may elect to attend AFTER your scheduled appointment time, although this may adversely affect your options for choosing seats. Select-a-Seat hours are: May 30 from 9:00am-3:00pm.
- Your viewing time will be with other season ticket holders and will take approximately 30 minutes.

AVAILABLE SEATING

- Available inventory is based on seats from non-renewed accounts and seats that become available during the event as other accounts relocate. In addition, in order to ensure that our fans have first choice of the best seats, we have changed our internal ticket policies and distribution timeline. This change will provide fans with more than 400 never-before-offered seat locations in a variety of areas that will be available at Select-a-Seat on May 30.
- Available seat locations will be identified with a color-coded seat tag, which will list the price of the season seat, plus minimum per seat donation if applicable. Please review the enclosed seating map before attending the event.

ADDING SEATS

Select-a-Seat is the perfect opportunity to add seats to your account. Please be aware that seats and accounts are non-transferable to other parties. If you added seats to your account during the renewal period, you will see this listed on your invitation as New Seat(s). We invite you to choose the location of these seats during your Select-a-Seat appointment.

EVENT EXTRAS

Spend time after your appointment touring the team locker room, weight room and film room and shoot a free throw on Nell and John Wooden Court! Plus you never know who might pop in for a surprise visit during the event.
