Back-to-back Pac-10 Champions

Bruins in the Conference

Men's soccer is in its 11th year as a Pacific-10 Conference sanctioned sport. Six Pac-10 teams comprise the Pac-10 Men's Soccer Conference - UCLA, California, Oregon State, Stanford, Washington and 2005 addition San Diego State.

The Pac-10 branched out of the Mountain Pacific Sports Federation (MPSF) after the 1999 season to form its own conference. Since 2000, the Pac-10 has had at least two teams advance to the NCAA Tournament every season, and in 2002 UCLA and Stanford faced each other in the Championship match, marking the first time two schools from the same conference have battled for the NCAA men's soccer title.

Over the years, the Pac-10 has upheld its tradition as the "Conference of Champions." Pac-10 members have claimed an incredible 171 NCAA team titles over the past 20 years, including eight in 2009-10, averaging nearly nine championships per academic year. Even more impressive is the breadth of the Pac-10's success, with championships coming in 26 different men's and women's sports. The Pac-10 has led the nation in NCAA Championships in 44 of the last 50 years and finished second five times.
