Student-Athlete Development

The Bruin Student-Athlete Development Program strives to enhance the student-athlete experience within the University setting by coordinating educational programs that address personal growth, leadership, professional development and community service. Our goal is to assist student-athletes with their transition to college, provide opportunities to enhance their college experience, support the development of a well-balance lifestyle, and prepare student-athletes to be champions in life. Student-Athlete Development programs include:

- Health Education
- Life Skills Workshops
- Team Building
- Career Exploration
- Leadership Seminars
- Resume & Interviewing Skills

Wooden Academy: **Teamwork, Leadership & Character**

The Wooden Academy is a leadership development program designed to educate and support Bruin student-athlete leaders. The program was named after legendary Coach John Wooden and strives to teach the principles of his Pyramid of Success. We believe that these skills will assist student-athletes in their pursuit to be successful leaders and teammates at UCLA, and as they prepare to be champions in life. Student-athletes have the opportunity to participate in the Wooden Academy each year by attending seminars to learn practical leadership lessons from coaches, administrators and Bruin alumni.

Leadership Development Program (LDP): The LDP is designed to teach freshmen and transfers the skills they need to lead themselves and effectively work with others. Our goal is to create a strong network of future Bruin leaders.

Wooden Academy Seminars: These seminars are offered to all student-athletes and address leadership, personal and professional development topics that are relevant to the student-athlete experience.

Bruins in the Community

Bruin student-athletes have the opportunity to participate in community outreach activities on campus and throughout the Los Angeles area. Examples of these events include:

- Dribble for the Cure
- Weekly visits to Mattel Children's Hospital
- Prime Time Games: Championship Saturday
- UCLA Lab School Fit Week
- "I'm Going to College" Program
- Adopt-a-Classroom
- Bruin for a Day
- Sports clinics
- Elementary school activities and reading days

These opportunities give student-athletes the chance to mentor youth, give back to the community and serve as ambassadors for UCLA Athletics.
